MILITARY SERVICE RECOGNITION BOOK

Comrades,

We are appealing to all Branches, members and non-members to assist us in the promotion of our important [Military Service Recognition Book] Remembrance program by reaching out to all those who are included under the Legion's definition of a Veteran who are, or have, resided within the Province of Ontario, to have their photograph and information submitted for inclusion into Volume X of our MSRB.

To date we have published a total of 6363 Veteran submissions in the first nine editions of our books of Remembrance. According to statistics, at the end of 2022, there were an estimated total of 223,400 Veterans living within the Province of Ontario. And of course, there are many, many more Veterans who unfortunately have passed away that families of these Veterans could be approached to submit their family members' information for our books. So, there are many Veterans and family

members of Veterans out there that could be approached for submissions.

To date, we have received a total of \$1,782,393.83 through advertising and donations received by our Publisher, Fenety Marketing through this program. These funds have assisted us with various Legion programs over the past nine years, and more recently we have utilized these funds to assist in the funding of the various Veteran Transition Programs that we at Ontario Command support. In fact, to date, we have donated a total of \$375,620.00 for nine various Veteran Transition Programs that we support.

Once again, I want to take this opportunity of thanking everyone who has continued to support this very important Ontario Provincial Command Remembrance Program and am asking that you continue to support our program through the continued recruitment of Veteran submissions. Remember, a Veteran does not necessarily have to be a Legion member. ALL Veteran submissions qualify and will be accepted. Let us all work on behalf of our Veterans to ensure that their information is included in one of our books of Remembrance. Thank You.

FROM THE BRANCH PRESIDENT

Good day Comrades.

The attendance at the General Meetings is improving over the past months. Our very own Branch Euchre team consisting of Betty-Anne Burnie, Brian Strong, and Ken and Doreen Barker, won the Zone Euchre tournament held in

Penetanguishene on Saturday February 11. They will now enter the District Euchre tournament to be held in Shelburne on March 11, 2023. Congratulations!!

The Thursday Night Dart league donated four new dart boards, and white boards to the Branch. Thank you.

The Branch has received an anonymous donation of \$4,060.18 that has paid for the new grill in the canteen. We are very grateful to this donor. The grill should be delivered to us by March 13.

The Zone Spring Convention will be held on Sunday March 19, 2023, at 10 a.m. at the Victoria Harbour Legion, Branch 523. All members and Ladies' Auxiliary are invited.

The 2023 District Spring Convention will be held at Branch 147 in Barrie on March 31, April 1 & 2, 2023. Any member interested in attending is welcome to discuss this with the Executive. We will want to decide ahead of time on the amount of Poppy donations to be made to various Veterans causes at the Convention. Our Branch is getting a new Sports Officer. Thank you Comrade Al Myre for volunteering for the post. And Penny Lawrence Judges has taken over the Entertainment and Ways & Means Chair. Comrade Penny has taken this on with vigor. She is doing an outstanding Job already. Both Al and Penny were installed in their respective posts during the February 28 General Meeting.

Yours in Comradeship,
Wayne Tutt, Branch 270 President

BRANCH GENERAL MEETINGS

The next General Meeting will be on **Tuesday March 28, 2023, beginning at 6:30 p.m.** As of January 2023, Branch General Meetings take place on the **fourth Tuesday of each month, from September to June, in the upstairs hall, starting at 6:30 p.m.**

FROM THE LADIES' AUXILIARY PRESIDENT

March is here already. We look forward to spring arriving soon. Don't forget to spring your clocks forward by one hour on March 12.

We continue to cater to events. The Ladies' Auxiliary was able to donate desserts to the Daytona 500 party on

February 19. Thank you to Gaëtanne Robinson and others who donated these delectable treats.

Our working balance of our bank account sits at \$10,780.51. Thank you to Comrade Gaëtanne Robinson who keeps our books balanced.

We will be making meat pies the first week of March. It was voted at the L.A. General meeting on February 21, 2023, that the price will increase to \$7.00 a pie due to the pies being bigger and the added cost to make them. Thank you to everyone who has volunteered to help with this and those who purchase the pies. This supports our sports fund. On April 1, two teams will attend District Team Darts in Orillia. Good luck to the teams of Gaëtanne Robinson and Michele Russell.

The Branch will be holding a St. Patrick's Day party on Friday March 17; come out and support the Branch and have fun. Remember that we have made a commitment to support our Veterans and community.

Wishing everyone a Happy Spring!

Yours in Comradeship,
Anne McArthur
Branch 270 Ladies' Auxiliary President

YOUTH EDUCATION REPORT

Submitted by Comrade Cheryl Barr, Youth Education Chair
Comrades,

Happy March Comrades!

We have received back all the poems, essays and posters from the Zone E4 Remembrance Day Contests.

We will be going into the school the first week of March to present the students that won in Zone E4. Once we receive back from District the entry that was sent to them, it will be returned to the student.

The Youth Education Committee will meet in the middle of March to start getting ready for the 2023 Remembrance Day Contests. We are waiting to hear from Zone on the two schools that should come under our branch starting this year.

BUILDING MANAGER REPORT

Submitted by Comrade Kari Malmstrom, Building Manager
Comrades,

I have the following to report in the way of maintenance or building repair issues since our last meeting.

Status of repairs and building in general are as follows;

Annual Fire Inspection Report updates:

This is the latest update from our annual fire inspection Aug 10, 2022:

- Jake has asked to revise Emergency plan to show electrical panels – COMPLETED AND EMAILED TO JAKE

Repairs and work that is being looked at or completed:

- Monthly extinguisher / exit light review completed
- Contacted Barber & Haskill to come repair downstairs stove. They were to contact me directly to arrange a time but did not and I was not able to be on site when tech was here. I went to their store to complain about the service tech saying issue was that stove was dirty but even after cleaning, the issue is the same as it was when Ryan took over the

canteen. They apologized and will be back in Feb 28th (tentatively). I will be in to meet them.

- I have found a replacement knob set for the same stove in the canteen online for about \$55 plus tax. These are upgraded with a steel reinforcing ring where they currently break.
- Bathroom renos are to start approx. Mar 6th as the sinks are in.
- Still trying to find a solution for clubroom bar stools. Stopped at Martin's Mitre Box near Parry Sound but not satisfied with their quality of stools. Will keep looking for options.
- We have over 220 chairs that need to be looked at for cushion replacement. Need direction as to a game plan.
- I have to repair some hinges for bar cabinets, replace door seals as soon as outside temperatures go up so weather stripping will stick properly, and I still have to look at some electrical receptacles upstairs.

As I mentioned, I am open to suggestions for further improvements to our facility and I remind you to use the maintenance request forms, please.

JOKE OF THE MONTH

This morning I saw a neighbour talking to her cat. It was obvious that she thought her cat understood her. I came home, told my dog, and we laughed and laughed!

SICK & VISITING

Submitted by Comrade Betty-Anne Burnie, Sick and Visiting Chair

I have been keeping in touch with those I know are ill or not well. If there are any issues that require my attention please let me know. Home phone (705) 686-3270 or email bburnie6@hotmail.com.

The Bottle Drive deposits for the month of February to date total \$824.40.

PUBLIC RELATIONS REPORT

Submitted by Comrade Norm Marion, Public Relations Officer

On-line media are kept up-to-date. Photos of recent events and activities are posted on the BIDDY, with some on Facebook and Website pages.

An application for a federal Community Services Recovery Fund grant was submitted last month to cover the cost of a new outdoor electronic sign. Fundraising for this project

originated back in 2017. But with a roof that needed recovering in 2018, and then two years of revenue losses due to the pandemic, we are still far from being able to cover the cost on our own. Hopefully the grant application will make it through.

ENTERTAINMENT REPORT

Submitted by Comrade Penny Lawrence-Judges, Entertainment Chair

Friendship awards are available for outside businesses. Remember that the period covered at this time is 2022.

The Branch will be picking a date in the April-early May timeframe to conduct drill lessons/refresher to those interested. Anyone can participate provided you are a Legion member, with full dress Legion uniform.

The training will encompass drill, including but not limited to, drill at the halt with and without Colours, and marching with and without Colours. If you are interested please contact me using one of the following and provide a valid email address so I may create a mailing list for communicating:

SERVICE OFFICER REPORT

Submitted by Comrade Randy Rice, Branch Service Officer
Comrades,

I attended the Veterans Service Officer (VSO) seminar 4 -5 February at Branch 147 in Barrie. Approximately 40 people were in attendance from various branches in the district. Topics presented included: VSO role and responsibilities; Legion claim forms; Benevolent Funds; pension applications; and appeals.

Guest speakers represented the Soldiers Aid Commission and the Last Post Fund. Workshops utilizing various Legion forms in conjunction with real cases were a real help to the participants.

On March 7 I will be attending a meeting in Orillia with Legion and OPP representatives to discuss what services the Legion provides to Veterans and the possibility of OPP Officers referring to the Legion Veterans they encounter while on the job. This type of arrangement is in existence in Toronto between the Royal Canadian Legion and Veterans Affairs Canada.

WAYS & MEANS REPORT

Submitted by Comrade Penny Lawrence-Judges, Ways & Means Chair

Hello, it's Penny Lawrence-Judges. Being very new to this position, I have been greatly surprised and happy with the assistance from so many different areas within our community to help make our Legion a fun and happy place to come. My first challenge was our first Open Mike/Jam since before COVID. Thanks to Ryan and Brian Cusson, who covered up my lack of knowledge and expertise with their professionalism and brought on a good time for all in attendance. Before leaving, the entertainers were asking when the next one was. This happened on February 18. Thanks to Don Sykes, Jake, Paul Arsenault and family, Janice & Jackie, the Irish Line Rovers, Doreen and Ryan Cusson, another great day was provided for all in attendance.

On Sunday February 19, we held our Daytona 500 day. Thanks to Trooper's Cafe for a delicious spaghetti dinner and the Ladies' Auxiliary for yummy sweets. Fun day was had by all.

Our next Open Mike/Jam will be Saturday March 4 from 2 to 6 p.m. Bring your friends and neighbours and instruments.

On March 25 we will be having Karaoke from 2 to 6 p.m. I'm looking forward to seeing you all at the branch.

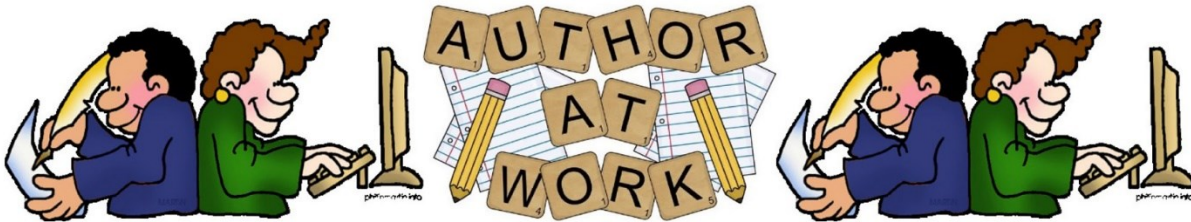

Congratulations to our Branch Euchre team consisting of (left-to-right), Ken and Doreen Barker, Betty-Anne Burnie and Brian Strong, who won the Zone Euchre tournament held in Penetanguishene on Saturday February 11. They will now enter the District Euchre tournament to be held in Shelburne on March 11, 2023. Well done!

A LIVELY 2022 AT THE ROYAL CANADIAN LEGION

By Nujma Bond, National Headquarters
Feb 16, 2023

Serving our Veterans: Veterans Services staff help Veterans receive the supports they need.

A literal army of volunteers helped serve Veterans, their families, and communities across Canada in 2022. Volunteer dedication enabled the Legion to pull through ongoing pandemic challenges that would otherwise have been insurmountable.

The Legion’s strong membership base is its foundation; its 250,000 members once again allowed the organization to do and achieve some amazing things.

Last year, Legion membership also grew year over year for the first time in over three decades. The organization welcomed over 35,000 new and reinstated members - it’s the kind of growth that hasn’t been seen in many years. Underpinning the varied accomplishments at a national level were member engagement, public relations, new project innovation, and advocacy efforts. This collective work helped produce public and media interest, membership growth, and ultimately it helped facilitate actions across the country to support Veterans.

The dedication of many colleagues was central to introducing initiatives that helped modernize and strengthen the Legion nationally – from biodegradable Poppies to new membership tools.

In 2022, the Legion welcomed many positive stories about how individuals or family members were helped by its work, such heartwarming stories were a testament to the dedication of thousands.

SERVING VETERANS & THEIR FAMILIES

The Legion exists primarily to help serve Veterans and their families. This is accomplished through a range of actions at the national and local levels.

Making a difference

Legion Service Officers at all Branches across the country, and at the provincial and national levels are always ready to assist thousands of Veterans each year.

Veterans do not need to be Legion members to receive assistance, and once again last year it was provided at no cost to them. Canadians made this possible because of their yearly generosity during the National Poppy Campaign. Over the course of 2022, Dominion Command Service Officers helped with disability applications, appeals, and provided individual grants for essential items like food, fuel, clothing, medication, and emergency shelter.

The Legion’s Veterans Services department heard excellent feedback last year from Veterans who were happy to finally receive disability benefits after years of rejection – primarily after being alerted to changes in policies at Veterans Affairs Canada (VAC). Service Officers shared new benefit information with Veterans who may not have been aware, helping them receive what they were entitled to. These included things like additional pain and suffering compensation, and additional claims related to PTSD medications.

Veterans Services became involved in some new initiatives last year such as The Burns Way project to help ensure Indigenous Veterans receive the mental health care they deserve, and the department participated in the planning of the 2023 Women Veterans Forum.

Programs supported by the Legion such as BSO Legion OSI's Operation VetBuild continued to hold an increasing number of group meetings for Veterans in the wake of the pandemic. These activities were another important means of helping support Veteran mental health and well-being in 2022.

Research and advocacy

Because of the ongoing disability claims backlog at Veterans Affairs, the Legion received additional calls and complaints from Veterans over the past year. While the Legion cannot hasten the process, it can advocate for immediate change – which is one of the things it did again in 2022, with a letter requesting action by the federal government, and through participation in media discussions on the topic.

The Legion also appreciated when change did happen, for example after the announcement by the federal government that it would provide funds to help VAC keep staff that had been hired to combat the backlog. In another instance, the Legion commended VAC after the announcement of a new program from Veterans Affairs Canada (VAC) which outlined how Veterans who needed mental health support would get it immediately with no need to wait in the current benefit claims application backlog.

The Royal Canadian Legion's yearly Masters Scholarship was awarded through the Canadian Institute for Military and Veteran Health Research (CIMVHR) in 2022. The \$30,000 grant was awarded to a master's degree student at the University of Manitoba whose research is designed to better understand treatment outcomes in Veterans with PTSD who use medicinal cannabis. The Legion has been advocating for research in this realm for years.

Other organizations that ultimately help Veterans cope with a range of challenges through programming or research are regularly supported by the Legion. Last year a \$75,000 donation made to the Concussion Legacy Foundation went towards research into concussions and brain health.

The Legion works regularly to push for change and does so mostly behind the scenes through its connections to government and other related decision makers. In other

cases, public stances are taken through letters to the Prime Minister or when directly questioned by media. It was a busy year for advocacy, with topics ranging from the creation of a Platinum Jubilee medal to honour citizens who have made a difference and pushing to end the construction plan for condos on Juno Beach in France.

The organization also shone a spotlight on the financial strain of housing on CAF personnel posted in various high-cost regions. The Legion continued to monitor the outcome of the Arbour report on military sexual misconduct and lent its voice in support of actions that need to be taken to ensure lasting change in that domain.

International support

In 2022, the Legion provided support to 60 Veterans and widows in Caribbean countries to provide them with at least two meals a day. A grant provided to Curphey Home in Jamaica also helped operators with repairs and similar needs. The home is a place that provides care and protection for Veterans. Last year financial assistance was also provided to help with computer and IT equipment needs in local support offices in Saint Vincent, Jamaica, Dominica, Grenada, Belize and St. Lucia.

As part of its operations, the Legion distributed assistance to 68 Allied Veterans and widows on behalf of several benevolent funds and international entities, like the Royal Commonwealth Ex-Services League. The Legion is the North American contact for Allied veterans and widows on this continent.

THIS MONTH WE REMEMBER

NO.2 CONSTRUCTION BATTALION

On July 5, 1916, No. 2 Construction Battalion was formed in Pictou, Nova Scotia—the largest Black military unit in Canadian history. Recruitment took place across the country and approximately 800 personnel would serve with the battalion at some point during the war. Most were from Nova Scotia, with others coming from New Brunswick, Ontario, the West and even some from the United States. The Black Battalion's chaplain was Reverend William White, who had also played a leading role getting the unit formed. The segregated battalion was tasked with non-combat support roles. After initial service in Canada, the battalion boarded the SS Southland bound for Liverpool, England in March 1917. Its members were sent to eastern France later in 1917 where they served honourably with the Canadian Forestry Corps.

BRANCH HISTORIAN REPORT

Submitted by Comrade Norm Marion, Branch Historian

Two Military Service Recognition Book (MSRB) submissions were sent to the Provincial Correspondent for publishing in MSRB Vol X this fall. Those are for John "Jack" Smith and Nelson Bumstead. Jack Smith was Tom Smith's father, who was killed in action during the Second World War, and Nelson Bumstead was Tom's stepfather, and one of our Branch Past Presidents. A third submission for Bill Mahoney is ready to go, awaiting signature.

If you know someone who served in the military who you think could be featured in a future MSRB, please contact me. You can see on this page an example of an MSRB

submission featuring Nelson Bumstead, Branch 270 Past President (1962) of the Coldwater Branch.

NELSON BUMSTEAD

Born in Waverley, Ontario, on August 14, 1910, Samuel Freeman Nelson Bumstead was the son of Oliver and Harriet (James) Bumstead. Nelson was raised on a farm, and, before he enlisted, worked for some time as farm hand, in shipbuilding yards, and in a flooring factory. During the Second World War, he enrolled in the Canadian Army on January 28, 1942. Private Bumstead (Service number B-98185) first joined the artillery, but later transferred to the infantry with the Black Watch (Royal Highland Regiment) of Canada. He served in the United Kingdom and Continental Europe. He suffered light wounds to his arm and leg on September 15, 1944, but returned to service after recovering. By the end of the war he had reached the rank of sergeant. Upon demobilization, Nelson was discharged from the Army on March 29, 1946. He married Florence Blanche Smith (nee Moreau) and settled with his family in the area of Midland, Ontario. He was a member of Royal Canadian Legion Branch 270 Coldwater where he served as Branch President in 1962. Nelson passed away on June 29, 1971, at age 60. He is buried at Lakeview Cemetery in Midland.

Nelson Bumstead served in the Second World War and was President of the Coldwater Branch in 1962.
