FROM THE BOARD

Submitted by The Board of Management

Greetings Comrades. As was announced at the April General Meeting, the Branch has taken another important step towards reinstating a fully functioning Executive. New members were appointed to positions that had been left vacant for the past several months, while other members were officially confirmed in positions that they had occupied unofficially for a while, just to keep the wheels turning. We thank all those who have volunteered to take an active part in the activities of the branch. The new list of committee chairpersons is as follows:

Secretary: Annie McArthur
 Treasurer: Betty-Jean Murray
 Entertainment: Michele Russell
 Sergeant-at-Arms: Dave Robitaille
 Sports Officer: Bob Gourlie
 Service Officer: Randy Rice
 Public Relations Officer: Normand Marion
 Youth Education: Debbie Robitaille
 Poppy Campaign: Carl Swanson
 Membership: Wayne Tutt
 Collection Manager: Normand Marion
 Building Maintenance: Gary Lovelace
 Ladies Auxiliary Liaison Officer: Normand Marion

And while on the subject of new positions, congratulations are in order to Comrade Pam Davidson who was elected as our new District Commander, replacing Comrade Bob Ladouceur. Well done Pam!

On a sad note, we offer our condolences to Dorothy Gerrard on the passing of her husband, Rick. Rick Gerrard was a very active member in our branch over the years and received the Certificate of Appreciation, Certificate of Merit and his 'Life' membership in 2002. He served our branch in many roles and will be greatly missed.

Finally, as you may know, our loyal custodian, Dave Huntley, has left us to move on to a happy new life in the north. Congratulations Dave, we offer you our thanks for the years you have been with us and wish you all the best in the coming years. By the time you read this newsletter, hopefully we will have found someone to try to fill Dave's shoes. If we haven't been successful we ask that, if you have some spare time, you volunteer to help out in the building to keep up the standards required. If a replacement has been found, please do your best to make them feel welcome.

Our next meeting will be on Wednesday May 24. We hope to see you there.

POPPY CAMPAIGN

Submitted by Comrade Carl Swanson, Poppy Chairperson

"Special Use of Poppy Funds" applications were submitted for the 'push button' entry for the main exterior and interior doors and for new accessible W.C.'s. These applications were approved and you will soon see work being done in preparation for these projects. They should be completed prior to Canada Day. And, again, thank you to the Ladies Auxiliary for their contribution toward this effort. Decoration Day is Sunday, June 25. Please volunteer to help on Friday and/or Saturday to put out all the crosses and flags. Again, we will need a Colour Party for the service on Sunday, the 25th. I am pleased to have been appointed as Poppy Chair and look forward to working with the new Executive Committee, however, will be looking to the general membership for support in completing the duties involved.

YOUTH EDUCATION

Submitted by Comrade Debbie Robitaille, Youth Education Chairperson

A few months ago, I was asked if I would be interested in this role of Youth Education Chairperson. All I can say is, thank you! After looking into what the role needs and demands, the requirements of me and what I can realistically give, my experience in life and my current involvement with the youth of today, I am very honored and EXCITED to accept this role. I am looking forward to connecting with our youth, promoting our amazing Legion and the two main contests: November 11 Posters and Poems Contest, and around the month of March, public speaking and speeches. By the way, just a bit of personal info. I used to be PETRIFIED to speak in public!

ENTERTAINMENT

Submitted by Comrade Michele Russell, Entertainment Chairperson

Our special 100th Anniversary of Vimy Ridge luncheon on April 9 was very well received. Thanks to everyone who contributed and participated. In May we have our regular Meat Draw on Saturday May the 13th, and the Jammin' at The Legion on Saturday the 20th. And there will be live entertainment in the Club Room on Saturday the 27th with Just Another Band, from 2 to 5 p.m.

SERGEANTS-AT-ARMS

Submitted by Comrades Dave & Debbie Robitaille, Branch & L.A. Sergeant-at-Arms

A semi busy time is upon us. Ladies Auxiliary, we have a very important meeting this month (May 18) where Colours will be used. If you are interested in being part of the Colour Party please let me (Debbie) know. Please note that a complete uniform is required. A few notes for the uniform. The Canada 150th commemorative medal can be worn on our uniform along with the 100th anniversary pin of Vimy Ridge.

For members of the Branch, we are looking for volunteers to walk the parade (full uniform) on Duck Race Day, May 27, and our Canada 150th celebration on Canada Day, July 1.

There is a Drumhead Service in Alliston on Sunday, June 4. Meet and Greet at the Alliston Branch at 11:30 a.m. with March Off at 1 p.m. Branch Colours and marchers have been requested. If you are available you will find this service quite memorable.

And of course, we have Decoration Day on June 25. We will need help to put crosses at the graves of our past Vets and of course the church ceremony.

PUBLIC RELATIONS

Submitted by Comrade Norm Marion, Public Relations Officer

Our Vimy Day commemoration last month was a success judging by the attendance to our special luncheon (read Comrade Pratt's comments on page 9) and certainly from a public relations point of view. Between the four Vimy-related articles that were posted on our Facebook page we had 2,800 viewings. The article on the Coldwater "Chums" at Vimy Ridge was published in the Orillia Packet & Times, and our own Maple Leaf "Vimy Day Special" copies disappeared in a flash.

On the Canada 150th front, I met with the Coldwater BIA group to sort out the branch's contribution to the Coldwater Canada Day celebrations. We (the Branch) agreed to set-up a big tent in our parking lot on Canada Day and have daytime and evening entertainment.

We will also coordinate and provide a Colour Party to an opening ceremony at the Cenotaph (11 a.m.) and participate in the parade (4 p.m.). Entertainment is booked and the committee is working on logistics.

Finally, I want to welcome Jed Bartlett on the Public Relations team. Jed brings to the table a vast experience in sales and marketing, which will be put to use right away since he will be dealing with our sponsors for the Maple Leaf. Welcome aboard Jed!

COLLECTION MANAGER

Submitted by Comrade Norm Marion, Collection Manager

Two of our "Fallen" were honoured last month as part of the Vimy Ridge commemoration - Pte Andrew Durnford and Pte George Maracle, and two more are being honoured this month: Pte George Woods on May 3, and Pte Thomas Wyley, on May 20. Flags will be lowered on the day of the 100th anniversary of their death, and biographical notes will be posted on our Facebook page, website, and in the in-house Maple Leaf binders at the branch. The "Tributes to our Fallen" initiative was approved last October as a mean to recognize all the Coldwater personnel killed in action during the First World War, and will culminate with a special event on the 100th anniversary of Armistice in November 2018. Enough material has been gathered to date to consider publishing a pamphlet or book on Coldwater & the Great War for November 2018.

And speaking of 100th anniversaries, the RCAF (and particularly CFB Borden) is celebrating this month one hundred years of military aviation in Canada, something that Camp Borden played a leading role in back in 1917. Read about it on page 10

HATS OFF

Submitted by Comrade Rosalie J. Pratt

It would be a travesty to not address our Vimy Branch event on April 9th. Canada became a nation in 1867 and Vimy put Canada on the global map but it is events such as that of April 9th, 2017 which etch Coldwater, specifically Branch 270 in our hearts. One cannot begin to thank those Comrades who singularly and collectively united to showcase our tour de force on Sunday April 9th. This solemn celebration commemorating acts of sacrifice one hundred years ago was also a joyous occasion. Because of our valiant past, we are able to partake and enjoy today's freedoms and liberties as witnessed by this particular afternoon.

Comrades Bob Gourlie and Linda Tucker enjoy their meal with good company. More photos of our Vimy Day Luncheon can be viewed on our branch website (www.coldwaterlegion.com), on our Facebook page (www.Facebook.com/coldwaterlegion), or in the in-house Maple Leaf binders at the branch.

To single out and thank any Comrade would risk a possible and inadvertent oversight of name. Suffice it to write that we have proven what motivates our Branch is not the bottom line (although this is crucial); it is the milieu our bricks and mortar provide to house activities to be enjoyed by all Comrades and our community. Everyone was in their Sunday best or in uniform. No one sat alone; everyone had company (as they should) and the overheard topics of conversation were uplifting to the soul. The entertainment was most a propos. Music reflecting the war years and then there were more au courant selections. A glance around the Club Room showed that just about everyone was mouthing the words to the various tunes. Funny, out our age, we can't remember where we placed our car keys, yet we all remembered the words to songs at least fifty years old! Simple yet elegant touches such as the tablecloth, and the single flower plus the tent cards offering well-researched brief biographies of our past sons

set the tone for the afternoon which was complimented by perfectly cleaned plates returning to the kitchen. There exists no reason for any complaint – none whatsoever. We take our hats off when we enter any Branch of a Legion in deference to and in respect of our Veterans. In addition to this, let's take our hat off in recognition of and to thank ourselves for making and taking the time to show our support for our Branch. We did a fine job! You came; we enjoyed the afternoon. Now let's do it all again, soon.

MOTHER(HOOD) CELEBRATION

Submitted by Comrade Rosalie J. Pratt

Mother's Day, Motherhood is not a new concept. This celebration is commemorated throughout the world and has root in many religions. The seed of motherhood is fragile yet strong; it is a part of all nations. Just as flowers seek the sun, roots seek peace. Mothers and those partaking in Motherhood share a common denominator: to raise a healthy, happy human being. In 1872, American social activist Julia Howe, asked the women of the day to unite against war and violence. Her attempts were ill-timed by the then raging wars but her shouts did not fall on deaf ears. 'Fast forward' to 1905. Anna Jarvis started her campaign to make the honouring of women a recognized American holiday and in 1908 she was successful. Our American neighbours declared and chose to celebrate Mother's Day on the second Sunday in May. Mother's Day is celebrated in forty-plus countries. The exact date is not important; what matters is that recognition is given to the value of 'mother', 'motherhood'. Ask a million people what a mother is and you will have a million different answers. Is it time to put aside this gender specific celebration and instead recognize Motherhood? This responsibility can be adopted by any person. Perhaps on Mother's Day we should celebrate the attributes of that person who help shape, contribute, and influence a child to be a 'good human being'. We have taught our youngsters not to fight (in school, the playground, with siblings, in the Board room). But we have also taught them to stand up for what they believe is right, just and fair. We have taught them well. Our country is fortunate. We don't suffer daily bombardment, but we are part and parcel of turbulent times. This Mother's Day, let us remember those mothers who have lost a child or who had a child return, but remain lost due to the ravages of conflict in some foreign land. Our current and past Silver Cross Mother who, with a heavy heart but with great pride lays the wreath at the National War Memorial each November 11th will receive no bouquet of flowers, box of candy or beautifully scripted card or letter. For these women, memories will need to suffice and fill the void in their heart. Again... but these are turbulent times and we have taught them well.

CAMP BORDEN, BIRTHPLACE OF THE RCAF

Submitted by Comrade Norm Marion, Collection Manager

There is no shortage of military heritage in the County of Simcoe. Most people in villages and rural communities – including Coldwater - have heard stories about local soldiers joining the army to go fight for King and Country in faraway lands. But how many are aware of the leading role played by the county in the birth and development of Canada's national air force? Indeed, Royal Canadian Air Force (RCAF) personnel at CFB Borden are celebrating this month the 100th anniversary of military flying in Canada, something in which the base stood at centre stage a century ago. Military aviation at Camp Borden (today CFB Borden) goes back to early 1917 when a series of aircraft hangars and aviation facilities were built to support the training of aviators for the Royal Flying Corps (RFC). Canada did not have its own air force at the time, so the organization known as RFC Canada was in fact a British organization operating in Canada for the purpose of recruiting and training Canadian aviators for service in the RFC overseas. There were other RFC Canada airfields operating in south-central Ontario, but Borden was the main one, home of the headquarters, and the first one to officially open on May 2, 1917. By the end of 1918, a total of 1,184 pilots had completed training at Camp Borden.

After the Great War, Camp Borden became the central point around which military aviation would develop in Canada. In 1919, an Imperial Gift of over one hundred war surplus aircraft found its way to Canada, most of the aircraft going to Borden to provide the nucleus of a national air

force. Following the creation of the Canadian Air Force in 1920, Camp Borden was once again selected as the main training centre for aviation. During the Twenties, Camp Borden saw the birth of the RCAF and claimed many firsts including the graduation of the first RCAF pilots in 1924. Camp Borden was also home to the first RCAF aerobatic team, the Siskins, in the early Thirties.

Camp Borden continued to lead during the Second World War, opening the first Service Flying Training School (No 1 SFTS) as part of the British Commonwealth Air Training Plan. Thousands of pilots from Canada, the United Kingdom, Australia, New-Zealand, and other Allied countries were trained at Camp Borden.

After the war, Camp Borden scaled down flying activities and concentrated on the training of aircraft technicians and other RCAF trades. Today, members of 16 Wing Borden take pride in preserving such a long tradition of excellence in training Canada's air forces. The Wing is responsible for coordinating the activities of six RCAF schools, two of which are co-located in Borden.

A century after their construction, many of the RFC hangars still stand, one of them being home to the Air Force Annex of the Base Borden Military Museum. Collectively, the hangars have been declared a national historic site. They are the only remaining witnesses of so many great moments in the history of the RCAF and its "birthplace", Camp Borden.
