BATTLE OF THE ATLANTIC COMMEMORATED

On Sunday May 1st, on "Battle of the Atlantic Sunday," Coldwater Branch Service Officer, Comrade Randy Rice, took a moment to lay a wreath on behalf of members of the branch to commemorate the Battle of the Atlantic, while Comrades Wayne Tutt (left) and Norm Marion watch in the background.

LADIES' AUXILIARY DID IT AGAIN

Yes, they did it again! Thank you so much to the Ladies' Auxiliary 270 Coldwater for another generous donation to the Branch. On May 25, at the Branch General Meeting – which, unfortunately, had to be cancelled due to lack of quorum – Ladies' Auxiliary President Anne McArthur (center) presented a cheque for \$3,000 to then Branch President Norm Marion (left), and President-elect Wayne Tutt. The money is meant to help with the purchase of a new electronic outdoor sign to advertise our activities.

FROM THE BRANCH PRESIDENT

Comrades, first, I would like to thank you all for your overwhelming support as President of Branch 270. This is a position that I am honoured to be placed into, and one which is not to be taken lightly.

Secondly, I would like to publicly extend my great appreciation to our Immediate Past President Normand Marion.

Comrade Normand steered our Branch through very difficult and trying times. His hard work, and perseverance over the past few years has hopefully smoothed a clear path for me to sail. Comrade Normand will now have many more hours to spend at home... and Wanda will be pleased about this!

It is my honour to introduce you to the 2022 Executive:

President: Wayne Tutt

Immediate Past President: Normand Marion

First Vice President: Carol Baird

Second Vice President: Marg Murphy

Executive Members: Cheryll Barr, Rick Morse, and Randolph Rice

Committee Chairs:

Bruce Backus – Sports

Carol Baird – Entertainment, Ways and Means

Cheryll Barr – Membership, and Youth Education

Betty-Anne Burnie – Sick and Visiting/Seniors

Kari Malmstrom – Building Manager

Normand Marion – Historian, Honours & Awards, Leadership Development, and Public Relations

Rick Morse – Bursary, Secretary-Treasurer, and Sgt-at-Arms

Marg Murphy – Bar Officer, and Ladies Auxiliary Liaison

Randolph Rice – Branch Service Officer

Wayne Tutt – Poppy, and Cadet Liaison

It will be an exciting new chapter for our branch. The interest that many of you have shown in serving on a committee is wonderful. If anyone else would like to be on a committee, please just let me know. I will meet with the Chairs to discuss your interest.

We welcome all suggestions at our branch. All you have to do is attend General Meetings and present your suggestion. General Meetings are held on the fourth Wednesday of the month, except for July, August, and December.

Once again. THANK YOU!

Yours in comradeship,

Wayne Tutt, Branch 270 President

FROM THE LADIES' AUXILIARY PRESIDENT

Things are starting to get busy again at the Branch now that COVID restrictions have been changed. It is great to see so many people again at the Branch. Let's hope that we will never have to go through another lock down due to COVID.

We had our elections at the LA General meeting in May. Thank you for all those who accepted positions on the Executive. President Anne McArthur, 1st Vice /Sports Officer Michele Russell, 2nd Vice Dianne Sauve, Treasurer Gaëtanne Robinson, Sgt-at-Arms Debbie Southorn, Executive members: Janis Cronin, Karen Dravis, Jane Lauder, and Brenda Yule, with Donna Packer as Past President.

Thank you to Alida Turner who was our Sick and Visiting chair over many years. She did a wonderful job, adding her special words to each card she sent or phone call, or visit. We greatly appreciate this and look forward to when she will be able to help again with catering.

Brenda Yule, Donna Packer and I attended the Zone E4 Convention on Sunday May 29th in Bracebridge. It was great to see so many LA Auxiliaries represented there. Elections of Zone Commander and Deputy Zone Commander were held. Helen Smith was elected as Zone Commander and Dianne Sharpe as Deputy Zone Commander. They will be officially taking over in September.

Thank you to Zone Commander Susan Swinton and Deputy Zone Commander Donna Packer for all their work over the last four years. They were a pleasure to work with and were exceptional at their job.

Sports events for the LA will be restarting in September and information will be sent to the LA of each Branch shortly. The working balance of the LA bank account as of April 30th is \$6,306.01. As always, thank you to Gaëtanne Robinson for keeping our account up to date. As our account did so well, we donated \$3,000 to the Branch at the Branch 270 General Meeting in May.

We were extremely busy with catering in May. Thank you to Jane Lauder for organizing this and to all LA members who helped with these events. Our next Executive meeting is Tuesday June 7th at 6:30 p.m. at the branch and next General meeting is Tuesday June 21st at 6:30 p.m.

Yours in Comradeship,

Anne McArthur, Ladies' Auxiliary President

ENTERTAINMENT/WAYS & MEANS

Submitted by Comrade Carol Baird, Entertainment/Ways & Means Chair

Thanks to all the members this month for the support as we kicked off patio season. Thanks to Jane Lauder for the potato salad and Meredith Orr for selling the food tickets. Also a big thanks to my husband Gil for barbecuing in the rain with a tent that had a big hole in the roof. Don't know where that came from. Tyler French and The Chapman Family were both very entertaining. For the month of June we have Tyler French again on the 18th and Even Steven on the 25th. Both from 2 to 5 p.m. on the patio. Then for our big Canada Day celebration we have The Brudders from 2 to 6 p.m. on July 1st. Our barbecue will be burgers, hot dogs, chicken breasts and salads. Again your choice for \$5. One last thank you to our bar manager Maggie and our Bar Steward Cheryl. Without the many hours they put in, our branch functions would not be as successful.

Enjoying Tyler French in the Club Room on "Patio opening Day", left to right: Karen Cuthbertson; Randy Rice; Wanda Beaudoin; Wayne Tutt; and Carol Tutt, with Tyler French performing on stage in the background.

JOKE OF THE MONTH

Wife said, "Our new neighbours are so in love. He kisses her, strokes her hair and hugs her. Why don't you do that?"

I said, "Because I don't know her that well."

REPORT ON PROVINCIAL CONVENTION

Submitted by Comrade Betty-Jean Murray, Branch Delegate to Provincial Convention

First off, thank you for your support to attend the Provincial Convention in North Bay earlier this month. It was well attended, well organized and completed a few hours ahead of schedule. Unfortunately, Derek Moore, President elect of Ontario Command, was in hospital following heart surgery. The pre-recorded Zoom acceptance just COULDN'T COMPETE with the bagpipe escort, of our Zone E-4 Commander Comrade Shawn, nor the – pomp of our Provincial installation ceremony!

The three Vice-Presidents stood for the position of 1st Vice President. Comrade Lynn McClellan was elected, with a clear majority, on the second ballot. Seven stood for the position of Vice President. Regrettably, our Immediate Past District E Commander Pam Davidson was defeated for position of 1st VP and eliminated in the race for VP. Crystal Cook, our District E Commander, along with Diane Condon of District B (Golden Horseshoe area) and Mark Rogers of District A (Southwestern Ontario area), were elected Vice-Presidents. Comrade Brian Harris declined to stand a second term as a Vice-President. The good news is that each of these newly elected Senior Officers, President Derek Moore, 1st VP Lynn McClellan, VPs Mark Rogers, Diane Condon and Crystal Cook, support the Seniors Literary Competition.

Donations to various RCL organizations totaled approximately \$595,000; that amount is in addition to the donations received at District and Zone conventions over the past two months.

At District E's recent convention \$295,000 was raised through donations. We should all be proud as District E is

much smaller than many other Districts. That said, I expect donations raised for Ontario Command transition programs since the new year should number in the \$2mm range. Our OC commitment to the provision of service dogs for Ontario Veterans in need continues with the presentation of a cheque for \$400,000 to Phil Ralph representing Wounded Warriors.

The consensus with respect to 'Youth Education' is that branches need to provide more programs for 'youth'. Branches should be considering Youth Darts, Mixed Youth Darts, Corn Hole to get more young people in the branch. The idea is if we provide for them while they are young they may remain with us as adults.

With respect to the MSRB – Military Service Recognition Book, through the past issues, the Legion has received \$1,591,179.37 to support the nine RCL transition programs. Deadline for entries was May 31 and, if they received enough submissions by that date, there may be another issue to follow. These funds are important to the operation of the 'transition programs' so please round up as many military veterans as you can and get them submitted because the Legion needs the commission from each book. The Mefloquin Law Suit was mentioned at the convention and the delegate from the floor requesting information was quickly requested to speak to the executive after that day's proceedings. Hopefully, there will be more to come on that subject which has destroyed the lives of many of our veterans.

Again, thank you to those who supported my request to represent Branch 270. I believe I used your votes well. Thank you for your confidence.

Tom Thompson's sister, Bernice, stopped by the branch last month to show us what she's done with her late brother's kilt. She wasn't sure what she should do with it, so she decided to turn it into a quilt, dedicated to Tom! Great job Bernice.

Quote of the Month

"Our lives begin to end the day we become silent about things that matter."

SENIORS LITERARY REPORT

Submitted by Comrade Betty-Jean Murray, Seniors Literary Chair

In North Bay, setting out to gain more support for the Seniors Literary program, with the advert in the promo book, a display table by one of the main doors, a 10-minute speech on the floor, followed by support from the originator of the program, our then Immediate Past Provincial President, mission accomplished. The venture was worth the time and expense. Delegates not yet aware of the program asked questions; information packages were distributed, and some booklets sold, with about 25 additional leads to follow up on to which I have provided the information package.

The current deadline for submissions is now July 18. There has been a noticeable increase in requests for the Information Package and submissions are coming in. Hopefully, the current flow will continue.

BUILDING OFFICER REPORT

Submitted by Comrade Wayne Tutt, Building Officer
Hello comrades.

The block repair at the Branch has been completed. Thanks to Martin Gravel for doing a great job.

The price of gas and labour have affected Phil Jones and his business. Phil can no longer look after our grass cutting at the agreed price. Thank you Phil for doing such a great job over the years.

Carol Baird has donated a gas lawnmower to the Branch. We will be certain to have gas available. The lawnmower will be stored in the shed. A couple of us have volunteered to keep the grass cut. However, if any of you notice that a cutting is required, please step up and grab the mower, and have fun. Cheryl and Maggie will be happy to let you in the shed.

Thank you, Carol. I hope that Gil doesn't miss it.

SERVICE OFFICER REPORT

Submitted by Comrade Randy Rice, Branch Service Officer

Today for my report to you I am focusing on a group of Veterans in these days there is little known about and how they are recognized for their sacrifice to their country.

Royal Canadian Legion Branch 270

These are Veterans who are wounded or injured while in service. We pay tribute to the fallen, but seldom is there mention of the wounded. This was particularly evident during the Afghan War. Strange as it is most Canadians have heard of the Purple Heart, an American award given to U.S. military personnel wounded while in the service of their country. But did you know Canada also has an award, called the Sacrifice Medal. In the past those service personnel wounded were awarded what was known as wound strips, particularly in WW1 and WW2 for physical wounds suffered in battle. There was nothing to acknowledge any sort of mental wound.

Since the time of the Korean War and up to Canada's involvement in the Afghan War the only means of recognizing our wounded personnel was the wound stripe. It was a stripe worn on the lower sleeve of the dress uniform. Today Canada recognizes a wide range of circumstances that would consider a veteran wounded in war and peace.

The Sacrifice Medal was created in 2008 as a result of increased casualties in overseas operations and was a replacement for the wound stripe. It was first awarded November 9, 2009, and was created for those who were wounded or killed while on duty. To this day, 150 have been awarded posthumously. The medal is awarded to those who die as a result of military service or are wounded by hostile action.

An Operation Stress Injury (OSI) or PTSD, on its own, does not constitute eligibility. There are, however, some criteria that provide for the awarding of the Sacrifice Medal for an OSI case once criteria are fully met.

So, comrades, now you know. Essentially, it took another war for Canada to recognize again the sacrifices Veterans have made to their country in war and peace.

Lest We Forget.

SERGEANT-AT-ARMS REPORT

Submitted by Comrade Rick Morse, Branch Sergeant-at-Arms

I would like to thank, on behalf of the membership and myself, the following personnel who supported our Battle of Atlantic event held on May 1st: Comrade Randy Rice, who laid the wreath on behalf of the branch membership; Norm Marion, Wayne Tutt, and Marg Murphy, who took part in the ceremony. Your participation is truly appreciated.

On Saturday May 28, the branch took part (lead) the Lion's Duck Race Parade. Thank you to those who marched in the parade: Wayne Tutt, Marg Murphy, and Carol Baird. At least for this one, weather cooperated.

Now that community events are resuming, it is important that we show our Colours and support other community organizations.

POPPY REPORT

Submitted by Comrade Betty-Jean Murray, Poppy Chair

Over the past six years Poppy Campaign donations have totaled roughly \$86,500, with \$28,300 going to Charitable organizations (Ontario Command transition programs) and \$17,074 to Veteran Grants (Veterans in need of assistance). We also managed a few sit-down Veterans' Dinners and Lunches, and a couple of 'take-out' dinners, during COVID. A big THANK YOU to our Ladies' Auxiliary for always providing delicious meals and sometimes bearing the cost. The objective of the Poppy Fund is to have sufficient funds available to assist the immediate urgent needs of any

Royal Canadian Legion Branch 270

Veteran's family while keeping the balance great enough to cover other expenses covered by Poppy while, at the same time, supporting the organizations being operated by the RCL. Ontario Command's 'Operation-Service Dogs' requires more than \$35,000 to place one dog and handler together. It takes a few years to achieve this placing and in the past six years we have funded the equivalent of 'one hind quarter'!

In the event that a substantial need arises, another funding organization available through RCL is the DISTRICT E HOSPITAL TRUST FUND which can accommodate a larger financial need such as a new deck, furnace, or roof when the Veteran's family finances cannot manage it.

At this time our Poppy Book account stands at \$5,184.17. There are no outstanding invoices, and supplies for the 2022 Poppy Campaign have already been received and paid for, hence, sufficient funds are on hand to accommodate most sudden needs of a Veteran or Veteran's family.

The mandate of The Royal Canadian Legion is to help our military Veterans. A Veteran is a Veteran is a Veteran!!!! Young or old Veteran, they have earned our respect and support. They put their life on the line for us. Please remember why we are here - to assist Veterans.

This is my last Poppy Report to Branch 270. It has been my pleasure to serve our Veterans and community in this role for the past six years.

In May, the branch was happy to facilitate a reunion of three brothers, Sam (left), Brian (center), and Denis Newman, who had not seen each other for several years. Sam and Denis had actually lost track of Brian until recently when they found out that he was in the Coldwater area and that the branch was in contact with him. Thank you to all those involved in providing assistance.

THIS MONTH WE REMEMBER

THE D-DAY LANDINGS

Determined to end four years of often-brutal German occupation, on 6 June 1944, Allied forces invaded Western Europe along an 80-kilometre front in Normandy, France. Of the nearly 150,000 Allied troops who landed or parachuted into the invasion area, 14,000 were Canadians. They assaulted a beachfront code-named "Juno", while Canadian paratroopers landed just east of the assault beaches. Although the Allies encountered German defences bristling with artillery, machine guns, mines, and booby-traps, the invasion was a success.

were sent in from this branch. You can see on this page an example of an MSRB submission featuring someone who holds a pretty significant place in the history of this branch. Indeed, Thomas Langton was one of the founding members of the Coldwater Branch, and served as its first president in 1935.

**HONOURS & AWARDS REPORT**

Submitted by Comrade Norm Marion, Honours & Awards Chair

The H&A committee has decided that we'd rather not hold a stand-alone H&A ceremony this year. Many factors were considered including cost and potential attendance, and we concluded that it would not be practical to hold one. Because of the pandemic, there are now more than 100 Years-of-Service pins that are due to our members. They are all tagged and ready to go – thank you Cheryll. Emails/letters will be sent out to those recipients to offer them three options: getting it presented at the next available General Meeting; picking it up at the branch; or having it mailed to them. Awards (Certificates of Appreciation/Merit) and Past Office medals and bars will be presented at the June General Meeting. Recipients who cannot attend will be presented at a future General Meeting at their convenience.

THOMAS LANGTON

Thomas Langton Jr. was born in Toronto, on March 26, 1883, the son of Thomas and Florence (McDonald) Langton. On February 28, 1916, he enlisted with the 180th Battalion, Canadian Expeditionary Force, in Toronto. On his Attestation Form he is described as 32 years-old and single. He listed his trade as foreman, and stated he had no previous military experience. Langton, regimental number 862770, was commissioned to the rank of lieutenant shortly after joining. Thomas sailed on the S.S. *Olympic* to arrive in England on November 21, 1916. After several months of training in England he landed in France on April 25th, 1917, assigned to the 75th Canadian Infantry Battalion. He suffered gunshot wounds in the legs on June 8, 1917, and was returned to Canada for medical treatment. Thomas was discharged on April 6, 1918, and later moved to Coldwater, Ontario. In 1935 he became a founding member of Branch No. 270 of the Canadian Legion of the British Empire Service League - today's RCL Branch 270 (Coldwater), and was elected as the branch very first president. Thomas passed away on June 1, 1935, in Toronto.

LEGION RESPONDS: ARBOUR REPORT ON SEXUAL MISCONDUCT IN THE CANADIAN ARMED FORCES

May 30, 2022 - Legion will closely monitor implementation of recommendations

OTTAWA, ON, 30 May 2022 – The Royal Canadian Legion hopes the implementation of the recommendations found within the newly-released [Arbour report](#) will lead to permanent culture change within the Canadian Armed Forces (CAF) and rebuild trust.

In a statement released today, the Legion says:

“The Legion supports timely implementation and independent oversight of the Arbour report’s 48 recommendations related to sexual misconduct and leadership practices within the Canadian Armed Forces, including seeing sexual assault allegations dealt with under the criminal code. We hope these actions will lead to permanent culture change and rebuild trust in both CAF leadership and the institution itself. The Legion will monitor the implementation of these recommendations in an effort to ensure ongoing transparency and accountability.”

CANADA’S VETERANS DESERVE ACTION

May 9, 2022 - Legion urges the federal government to accelerate change

OTTAWA, ON, 5 May 2022 – The Royal Canadian Legion urges the federal government to intensify its actions after the latest update from Veterans Affairs Canada (VAC) to our country’s Senate Subcommittee on Veterans Affairs.

In a presentation this week, VAC’s Minister, the Honourable Lawrence MacAulay acknowledged that more work needs to be done in several areas that are central to our Veterans’ well-being, however no detailed action plans or concrete timelines were presented by the department.

The Legion was asked by media for its responses to VAC’s update on the condo development planned at Juno Beach in France, and the ongoing disability claims backlog – which

we understand is two years long. Dominion President Bruce Julian shared the following thoughts.

JUNO BEACH CONDO DEVELOPMENT

“The Legion was pleased to hear the Minister confirm that all factions related to this situation in France will be working on a resolution. However, we believe the Government of Canada must play a key role in any mediation that might occur, including suggesting alternate locations for the housing, and even the possibility of purchasing the land that is a fundamental part of our nation’s military history and arguably represents a central reason why our country remains free.”

BACKLOG IN DISABILITY APPLICATION PROCESSING

“While all progress should be celebrated, we still have close to 11,000 veterans waiting for help while their health situation continues to deteriorate. This reality remains untenable. We did not hear any discussion about tangible plans or specific timelines to finally put an end to this situation. It is unfair to leave those who served our country in a position whereby they must seek piecemeal care while waiting in an endless lineup with an unreliable wait time tool, to receive the full complement of benefits to which they are entitled.”

Other topics raised by Subcommittee Senators included Veteran homelessness, the ability of Veterans to find employment after service, the case load for case managers, and the degree of satisfaction expressed by Veterans about service provision.

The Legion is equally interested in these important issues. While we appreciate the work underway and the positive initiatives developed by VAC to date, the pace of change is still too slow to meet the current needs of our Veterans.
