Many of them carried on afterwards to the Legion's Club Room to celebrate in a definitely Irish-green environment. Live music was provided by Len Murphy. FROM THE BRANCH PRESIDENT

Comrades,

In February we were busy getting our application completed for the Ontario Trillium Foundation Grant for new flooring, tables upstairs, a/c for upstairs' kitchen, and a backup generator to improve our building and make us a shelter in case of an emergency. Thanks to Marlene

Klanert for application support and Al Myre for financial and submission reviewing. This allowed us to get this completed and submitted by the end of February. Now we wait to see if we are approved to proceed.

On March 8 we had another 100th Anniversary Open House. We had a good turnout. We initiated many new Centenary Members to our Branch. From talking to some of these new members, it is good to hear that we will have more interested in volunteering and helping us to keep things running smoothly. Thank you to everyone who came out. We will announce the next event once we know the timings. John O'Hara, Norm Marion, Linda Tucker, Bob Gourlie, Betty-Jean Murray, and I attended the Zone E4 Spring Convention on March 14 at Branch 316 in Waubauskene. Attendance was good from most branches in our area. Discussion included motions to be brought up at the upcoming District meeting in Aurora, such as the levy issue with Centenary members at the end of the year, and discussions about consistency in Article 3s when processed. March 17 was another great St. Patrick's Day celebration at our branch. I commend the people who marched in the parade with the wind-chill giving us a cool -20C. Everyone appreciated the music and drinks afterward, though. Thanks to all who participated and helped in this annual celebration.

Yours in Comradeship,
Kari Malmström, Branch 270 President

FROM THE LADIES' AUXILIARY PRESIDENT

Greetings Comrades.

I'm not going to comment on the weather! Enough is enough!

It was my pleasure to represent our Branch as Queen on St. Patrick's Day, alongside Comrade John O'Hara as King! I so enjoyed taking part in the parade and the festivities after at the Branch! A fun day for everyone –

drinks, music and laughter!

Our Ladies' Auxiliary was pleased to make donations this month to the Coldwater United Church, Community Meals Program and The Benny's Club.

The Spring Zone E4 Convention takes place on Sunday April 26 in Victoria Harbour. At this convention all 12 auxiliaries in Zone E4 present activity reports and financial reports. This is an opportunity to hear what other auxiliaries are doing. As well, elections for Zone Officers will occur. If interested in attending, please let me know. All members are welcome.

On April 11 we have two teams attending District Team Darts in Creemore. Good Luck ladies and have a great time! Our Auxiliary will have a Bake Sale on Saturday May 30 (Duck Race Day) to support our Sports Fund. Bake Sale will start at 10:00 a.m. Baked goods can be dropped off at the Legion the day before or the morning of the sale. So, all you bakers out there, please support this event!

Elections for our Auxiliary Officers and Executives will take place at our May meeting – May 19 at 4:00 p.m. If you are interested in running for a position, please advise a member so you can be nominated.

Our next meeting is Tuesday April 21 at 4:00 p.m. Hope to see you there!

Yours in Comradeship,
Donna Packer, Branch 270 Ladies' Auxiliary President

BRANCH GENERAL MEETINGS

The next General Meeting will be on **Tuesday April 28, 2026**, beginning at 6:30 p.m. Branch General Meetings take place on the **fourth Tuesday of each month**, from **September to June (except for December)**, in the upstairs hall, starting at 6:30 p.m.

THE MAPLE LEAF

The Maple Leaf is the award-winning monthly newsletter of The Royal Canadian Legion Branch 270 Coldwater. It is primarily an internal communication tool through which the Branch Executive and Committee Chairs report to the membership on their respective activities. Opinions expressed in feature articles are those of the writers and do not imply endorsement by the Branch or the Legion. Committee reports and pre-arranged articles must be received no later than the 23rd of the month in order to be published in the next issue. Please submit by email to: Branch PRO at branch270@rogers.com.

TREASURER REPORT

Submitted by Comrade Al Myre, Treasurer

The General account balance is \$48,114.08.

The Building account balance is \$81,381.61.

The Nevada account balance remains at \$237.61.

BOTTLE DRIVE REPORT

Submitted by Comrade Cheryl Barr, Bottle Drive Coordinator

Happy Easter everyone!

The Beer Store truck did a pickup on March 11, taking away \$459.20 worth of empties.

Total empties sent back to date: 638,303. Total funds raised to date: \$78,539.50.

The Branch would like to thank the community for their support, and the volunteers who look after the shed.

During the pandemic then Bar Manager Maggie Murphy was out walking when she came across a house with the garage door open, showing a ton of beer cans. She asked the gentleman what he intended to do with all those cans. His reply was: "You want them? When can you pick them up?" One quick phone call was made and a truck and trailer were off to Orillia to pick up the cans. The end result was \$1,300.00 worth of cans. From that day on, beer cans were delivered to the branch twice a month. I found out his name was Jake. When he dropped-off, he would help me put the cans in the shed, talk for a few minutes, and off he went. Recently I realized that I hadn't seen Jake in a while, and then I found out that he passed away in January.

On the weekend, I was handed an envelope containing a \$500.00 cheque. Jake's daughter and grandson had donated the money to our Bottle Drive in memory of her dad. So with that, our total amount of money raised is now \$79,039.50. R.I.P. Jake, and thank you so much to you and your family.

MEMBERSHIP REPORT

Submitted by Comrade Paula Brown, Branch Membership Chair

The Membership Committee has been busy processing applications for Centenary members. I am very thankful for the assistance that the Committee provides, and could not have made it through the applications and membership renewals without them. As a result, Branch 270 welcomed 26 new Centenary members in March.

Veterans that are members of Coldwater Legion and aged 80 years or more do not pay membership fees, as the Branch pays the per capita tax on their behalf. In February I presented a motion that commencing in 2027, Branch 270 of the Royal Canadian Legion pays the membership fees for all members that meet the Royal Canadian Legion definition of Veteran as follows:

VETERAN: A Veteran is any person who is serving or who has honourably served in the Canadian Armed Forces, the Commonwealth or its wartime allies, or as a regular member of the Royal Canadian Mounted Police, or as a Peace Officer in a special duty area or on a special duty operation, or who has served in the Merchant Navy or Ferry Command during wartime

I am pleased to report that this motion passed at the Executive and General Membership meetings. In the 100th year of the Royal Canadian Legion, this is one more way that the Coldwater Branch says "Thank you for your service".

A MESSAGE FROM MPP JILL DUNLOP

As we begin to see the first signs of spring across Simcoe North, I am reminded of the sense of renewal this season brings. After a long winter, the changing season offers an opportunity to reconnect with neighbours, spend more time outdoors, and look ahead to months of growth and activity in our communities.

After returning to Queen’s Park last month, I am happy to provide these updates on programs and investments that will benefit residents across our region. I was pleased to share that the Ontario government is continuing to invest in community programs and services here in Simcoe North. Through the Ontario Trillium Foundation’s Grow program, our government is providing \$229,400 to support local non-

profit organizations, helping them expand programs that strengthen community connections and provide essential services for residents.

These investments ensure that organizations can continue delivering programs that promote well-being, encourage social participation, and bring people together. Initiatives like these are especially meaningful for seniors, providing opportunities to stay active, engaged, and connected with their communities.

Our government is also supporting initiatives that improve accessibility and strengthen community gathering places, including upgrades that make facilities more welcoming for seniors, veterans, and families. These improvements help ensure that important community spaces, such as Legions and other local hubs, remain vibrant places for connection, remembrance, and shared experiences for years to come.

I want to thank the volunteers, Legion members, and community leaders who work tirelessly to make Simcoe North such a special place. Your dedication to supporting one another and preserving our shared traditions is truly inspiring.

I also invite you to join me for the 2026 Free Annual Seniors Day event on May 20th at the Barnfield Point Recreation Centre in Orillia, featuring guest speakers, service providers, and more, to celebrate and support our senior residents. I look forward to seeing you there and to continuing to work together to support strong, connected communities across Simcoe North this spring and beyond.

BUILDING MANAGER REPORT

Submitted by Kari Malmström, Building Manager

I have the following report as Building Manager since our last meeting.

My report is as follows:

- The monthly inspections are completed.
- We need to replace a couple of back-up batteries in some of the emergency lights.
- The video camera software and programming will be completed this month. This will allow us to monitor the facilities remotely in case of any issues. Also, recordings are stored in our system if we need to go back to look at anything.
- The snow is melting slowly and it looks like we won't have to remove another big pile in our parking lot.
- Some painting touch-ups have been completed upstairs in the kitchen. This makes it look much better after the flooring replacement.

JOKE OF THE MONTH

Girl: What happened to Lily, the girl you were dating?

Guy: Would you date someone who smokes, swears like a sailor, and drinks themselves into a stupor every day?

Girl: No, I would never date anyone like that!

Guy: Well, neither would Lily.

BURSARY REPORT

Submitted by Comrade Henny Risebrough, Bursary Chair.

One applicant has been successful in receiving a bursary. Congratulations!

BAR MANAGER REPORT

Submitted by Comrade Anne Frankish, Bar Manager

Thank you to everyone who helped with St. Patrick's Day celebrations. It was another successful year. The bar continues to run efficiently with the help of all our volunteer bar stewards and others who help at busy times.

YOUTH EDUCATION REPORT

Submitted by Comrade Cheryl Barr, Youth Education Chair

We are waiting to hear from District to find out when our students are going to get back their entries, certificates, and prize money. We are also waiting to hear how our student is doing at the Provincial level in the Poster and Literary Contests. I helped with the Zone E4 Public Speaking on March 8, at the Waubaushene Legion. I learned a lot from the young speakers on interesting topics, such as sports - Blue Jays and skiing, High School bullying, kindness, Canadian made products, going to school later in the morning, and potatoes.

I am proud to announce that after winning 1st place at Branch level, Ben Hickey won 1st place at Zone E4 level, and has now progressed to District level.

PUBLIC RELATIONS REPORT

Submitted by Comrade Norm Marion, Branch Public Relations Officer

The monthly newsletter and on-line media - Facebook & Website – and the BIDDY are kept up-to-date. The photos from the Zone Convention and St. Patrick's Day event were posted on-line. St. Patrick's Day images received lots of positive comments on Facebook.

We had two photos published in the current issue of the Legion Magazine (March-April 2026), that of branch member Roger Pratt's 60-Years' Service recognition, and one of the unveiling of the Remembrance crosswalk. The one of Roger was sent in last May.

I have sent one more photo to the Legion Magazine, that of the presentation of a \$500 cheque to the Coldwater United Church Community Meals.

I attended the Zone Council meeting and Zone Convention on March 14 in Waubaushene. As usual, we had a good representation from the branch. I will also attend the District Spring Convention in Aurora in April.

On March 24, a \$500.00 donation was presented on behalf of the Coldwater Branch to the Coldwater United Church Community Meals Coordinator Ken Fulford, by Branch President Kari Malmström.

Sonia Kamel was born in Vita, Man., in 1945. On September 18, 1967, Sonia graduated as a Registered Nurse and enlisted in the RCAF. Following basic training, she was posted to Stadacona Naval Base in Halifax, N.S. From there she was posted to an Army hospital in Iserlohn, West Germany. While there, Sonia was one of the two-dozen Registered Nurses working at the military hospital, a combined British/Canadian facility. Her duties included looking after the pre-and-post natal needs of the women living on and off base, and general nursing responsibilities to military personnel. While overseas Sonia travelled to the Scandinavian countries, Cyprus and Lebanon, including a visit to Check-Point Charlie. With her return to Canada, Sonia completed a four-year posting to the National Defence Medical Centre in Ottawa. Upon her release from the Canadian Armed Forces on September 18, 1974, Sonia pursued further education and obtained a BA in Political Science and Economics.

BRANCH HISTORIAN REPORT

Submitted by Comrade Norm Marion, Branch Historian

Our next monthly Veterans Coffee Break will be Monday April 27, from 10 a.m. to 2 p.m. Those Coffee Breaks are held upstairs in the Banquet Hall every last Monday of each month.

I've sent five more submissions to the Military Service Recognition Book (MSRB). That brings a total of 28 submissions so far from our branch for the upcoming Vol.13. Two more are almost ready to be sent, just waiting for signatures. A sample submission can be seen on this page featuring Branch member Sonia Kamel, who served as a Registered Nurse with the RCAF during the Cold War. New submissions or suggestions for submissions to the MSRB are welcome year round.

Following the March 14 Zone Council meeting in Waubaushe, the Zone Spring Convention was well attended with several members of the Coldwater Branch taking part in the discussions.

DIG INTO 100 YEARS OF LEGION HISTORY

From the files of Dominion Command

Over 650,000 Canadians served our country in the First World War. The survivors were welcomed home as heroes but were left to fend for themselves to obtain the medical care, financial support and social services they desperately needed. They did so by forming local Veterans' associations—and in the process laid the foundations for what, in 1926, would become the Canadian Legion.

Fast-forward 100 years and the Legion is today woven into the very fabric of our nation, serving and advocating for Veterans and their families, ensuring we remember their service and sacrifice, and connecting Canadians in communities from coast-to-coast-to-coast.

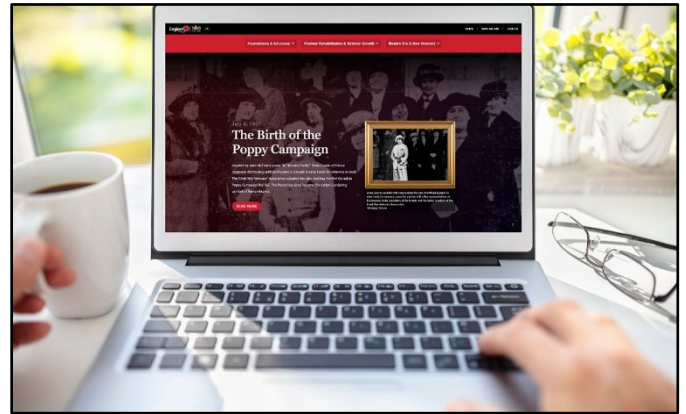

The years between the Legion's founding and its 2026 Centenary celebrations were filled with tragedies and triumphs, struggles and successes, conflicts and comradery. And they are captured in stunning detail in a new interactive website that chronicles the Legion's history from its beginnings to the present day.

The new website delves deep into the Legion's 100 years of service to Veterans and Canada, highlighting close to 50 key dates and milestones.

Did you know that Poppies, inspired by John McCrae's poem 'In Flanders Fields', were first used in Canada in 1921 to raise funds for Veterans? In 1948 an Act of Parliament granted the Legion trademark protection of the Poppy, safeguarding it as Canada's enduring symbol of Remembrance. Or that in 1931, the Legion successfully advocated for a National Day of Remembrance each November 11, cementing Remembrance in Canada's identity? Or that the Legion didn't get its Royal designation until the early 1960s? Or that the Tomb of the Unknown Soldier was added at the National War Memorial as part of a Legion millennium project?

The website is organized in three main sections: Foundations and Advocacy (1914-1936); Postwar Rehabilitation and National Growth (1939-1984); and Modern Era & New Veterans (1990-present). Users can

Royal Canadian Legion Branch 270

view the site in chronological order or by easily navigating directly to a year or event in the Legion's history that interests them.

"We are very proud of this website, but most importantly, proud of the story that it tells," says Berkley Lawrence, the Legion's Dominion President. "The story of the Legion over its first century is a story of impact – for Veterans, for our communities, and for Canada. We encourage everyone to visit the website, to learn more about our work, and to join us as we enter our second century."
