COLDWATER GOES STEAMPUNK!

On August 10, 2019, thousands of people landed in the village of Coldwater to take part in the 9th annual Coldwater Steampunk Festival. Steampunk enthusiasts walked the streets dressed for the occasion in Victorian era costumes. Taking place over a three day period were artists and artisans demonstrations, live music, circus acts, oddities, magic shows, and steam power engines demonstrations. This year's main event day contests included arts and costume competitions, African dance ensemble and First Nations drummers. In addition to hosting thirsty and hungry visitors who came through the Legion during the event, some of our members took part as dressed-up participants.

BRANCH HELPS SKATING CLUB

On Tuesday August 20, 2019, Royal Canadian Legion Branch 270 Coldwater President, Comrade Norm Marion (left), presented a cheque for \$200 to the Coldwater Skating Club. Accepting the donation on behalf of the club are, left to right: Jessica Gray; Charlotte Gray; and Madeline Thornton, all involved with the skating club as member or volunteer. Many Canadians don't realize that the Legion is one of the largest supporters of community youth activities in the country. The Legion supports youth leadership programs and activities such as Cadets, Scouts and Guides, and youth sports, helping build the next generation of leaders.

FROM THE PRESIDENT

Comrades,

As the leaves begin to turn, we are entering one of our busiest periods of the year, with the return of some of our sports activities, the preparation for fall Youth Education programs, the membership renewal and recruiting campaign, and yes, the first meetings for the Poppy Campaign and Remembrance Day activities. Not that last month was quiet in any way. We had a successful repeat performance with our outdoor patio initiative on Steampunk day – thank you Maggie for that initiative – and we introduced "Ping Pong Mondays" to our list of activities. But sadly, following the loss of Pat Sinclair in July, we lost another well-known and respected member of our branch in August, our good friend Bob Rice. A joint Legion and Lions service was held in his honour on August 17. You may read a short tribute to him in this issue.

The Coldwater Legion welcomes members and non-members alike to come in and enjoy good food and beverages in a friendly ambiance. In addition to our regular weekly activities such as euchre, shuffleboard, pool, darts, and now ping pong, our September entertainment includes a special Corn Roast on Sunday September 15, to launch the annual Legion Week. Music will be provided by the popular Chapman Family Band. Admission is free. We also have a special Spaghetti Day on Thursday September 19, and then, to close Legion Week on Saturday September 21, we have Ring of Fire – A Johnny Cash Experience, returning to Coldwater following its tremendous success last year. Tickets (\$20) can be purchased at the bar at the Legion. Everyone is welcome. Legion Week is a great time to invite your neighbours and friends to visit our branch and learn more about what members of the Legion do.

In closing, I want to, once again, express my appreciation to all of you who, day after day, week after week, contribute in any way to our branch activities. Everything I just mentioned above, the sports, games, fundraisers, veterans and youth support programmes, all are done by volunteers. And I thank you for your continuous support.

Yours in Comradeship,
Norm Marion, President

Old Bursary Applications which were located in the office have been destroyed and 2019 Applications will be made available and placed in the open administrative filing cabinet in the Branch office.

WAYS & MEANS / ENTERTAINMENT REPORT

Submitted by Comrade Carol Baird, Entertainment/Ways & Means Chairperson

It is hard to believe that summer is almost over. Steampunk was again a great success with Len Murphy. The outdoor patio is a big hit. Thanks so much to John Moreau and John Fowler for all they have done. I would like to thank Maggie Murphy and all the bar stewards who have worked so hard this summer upstairs and downstairs with all the events. It is much appreciated. I also thank the four musicians who joined me and filled-in at the last minute for Elvis (Terry

Chisholm) who couldn't make it for health reasons. Thank you Cliff Legault, Renee Lasieux, Brian Schell, and Don McCown.

September is so busy with our new Sports Officers' first event, a Mini-Triathlon on the 7th. Then we have Misty Archer stepping up to do the Meat Draw along with Jack and Jane Lauder on the 14th. On the 15th Legion Week starts with a corn roast, including hot dogs for \$5.00. I would like to thank Ellen Cohen for the donation of the barbecue. She has the magazine called the Villager Press, in which she gives us free advertising each month. The patio will again be open for the corn roast, and we will have entertainment with the popular Chapman Family Band from 2 to 6 p.m. On Thursday the 19th it is membership day with a spaghetti dinner put on by Jamie. Everyone is welcome. Then on Saturday, Legion Week closes with Johnny Cash. If you missed him last year you really missed a great event. Tickets are \$20 and can be purchased from me or behind the bar. Show time is 8 p.m. We will be serving food in between shows this year at a minimal cost. The Jammin' is also on in the clubroom from 2 to 6, and the canteen will be open for the Jammin'. Then to close the month we have the Fall Fair the last Saturday in the month. We have the band Stir It Up in the branch from 2 to 6. The patio and the canteen will both be open that day as well. See you in the Clubroom - or the patio!

Branch member Gord Ingraham (center) and his family came up from Barrie to experience Steampunk day in Coldwater. Behind him is the Coldwater Legion's outdoor patio set-up for the day.

This month we remember the Battle of the Scheldt

This month we remember Canadian soldiers who served in the Battle of the Scheldt during the Second World War. The Battle of the Scheldt was fought in northwestern Belgium and the southwestern Netherlands. On 12 September 1944, the task of liberating the banks of the Scheldt River was initially assigned to the First Canadian Army. The main campaign raged from 2 October - 8 November 1944. The Allied victory, led by the First Canadian Army, opened the port of Antwerp in Belgium and secured a crucial supply line for the Allied liberation of Europe. More than 75,000 Canadians served in the Battle of the Scheldt, including over 6,300 who were killed, wounded or taken prisoner.

PUBLIC RELATIONS REPORT

Submitted by Comrade Norm Marion, Public Relations Officer

DIGITAL MAIN STREET: I had a meeting with a representative of DMS (Digital Main Street). This is a communications business that was hired by the Coldwater BIA to assist local businesses in assessing and increasing their exposure, mostly through on-line tools. The meeting resulted with very good recommendations, which we will implement as soon as possible.

RADIO COMMERCIALS: As was mentioned earlier this summer, the Coldwater Branch joined a BIA initiative that saw the production of TV and radio commercials advertising the village of Coldwater during the summer. While the Legion was not mentioned or shown in the TV version on CTV, it was quite nice to hear a voice on the radio (104 THE DOCK) say "Come in to the Coldwater Legion for food and beverages. Great fun in great company."

TREASURER REPORT

Submitted by Comrade Annie McArthur, Treasurer

As of Tuesday August 27, 2019, there was \$19, 584.75 in the General Account. The Building Account is at \$11, 066.62 and the Nevada Account at \$238.66.

BRANCH HISTORIAN REPORT

Submitted by Comrade Norm Marion, Branch Historian

BATTLE OF BRITAIN COMMEMORATION: Our next wreath laying will be to commemorate the Battle of Britain on Sunday Sept 15.

CENOTAPH AREA: The work is pretty much completed, thanks again Wayne. All that remains are some touch-ups and regular maintenance. The area has seen much more traffic since we opened-up access. We will keep monitoring to make sure the monument is still treated with respect.

FLIGHT SERGEANT WILLIAM H. WYLIE: A photo of the late Flight Sergeant William H. Wylie of Coldwater was donated to the branch by the family. It will be added to the collection and included in our In Memoriam display on Remembrance Day and other occasions. Born in Coldwater, F/Sgt Wylie (1923-1975) joined the Royal Canadian Air Force in 1942 and served as an Air Gunner on Lancaster bombers in the European theater during the Second World War. He eventually returned to Coldwater to operate the family business of Wylie Coach Lines, which he still owned at the time of his death. He was a member of the Legion with Branch 270 Coldwater.

POPPY REPORT

Submitted by Comrade Betty-Jean Murray, Poppy Chairperson

Maggie and I attended the annual 'Poppy' Seminar last week-end so we know the season for Poppy Campaign is fast approaching. Supplies have been ordered and the 'sign-up for tagging' board will go up soon. You don't need a uniform to 'tag'; a volunteer button and a smile is all you need. Watch for the 'FACTS' info sheets around the branch so you know the great work your donated dollars contribute to.

**IN MEMORIAM
COMRADE BOB RICE
1929-2019**

In our August issue we were pleased to include a photo of our good friend Veteran Bob Rice as he celebrated his 90th birthday. Sadly, Bob passed away on August 8. A joint Legion and Lions Service was held at the branch on August 17, and flags were lowered in his honour during that week. Bob was a veteran and long-time member of the Coldwater Legion and a long-time member of the Coldwater Lions Club.

Born in Helensburgh, Scotland, on July 17, 1929, Bob joined the Royal Air Force at age 18, serving from September 1947 to July 1949 as a Flight Engineer on board RAF aircraft during the famous Berlin Airlift. After immigrating to Canada in 1951, he eventually worked as aircraft inspector for Douglas Aircraft of Canada. He also served an additional eight years with the Canadian Forces Air Reserves, working as aircraft mechanic on the de Havilland Otter aircraft with 400 "City of Toronto" Squadron in Downsview. Bob joined the Legion in 1970 and was particularly active with the Coldwater Branch in the past few decades.

Rest in Peace Bob. We thank you for your service.

OUTREACH AND VISITATION INITIATIVE (OVI)

Veterans Affairs Canada (VAC) supports approximately 5,300 Veterans in almost 1,400 long-term care facilities. The Royal Canadian Legion delivers the Outreach and Visitation Initiative (OVI) on behalf of Veterans Affairs Canada. Through this partnership, the Legion facilitates face-to-face visits with these Veterans, providing them with an opportunity to have a social visit with a Legion volunteer and to raise concerns or identify needs that might be addressed by Veterans Affairs Canada.

Become a volunteer with the OVI. If you are a Legion member, you can volunteer with OVI and make a difference in the lives of Veterans. Volunteers are selected based on the needs within the community, required skill sets, security screenings, and ability to travel to Ottawa for a one day training seminar. Calls for volunteers are sent by Dominion Command through both Provincial Commands and Legion Branches in areas of need.

YOUTH EDUCATION

Maggie and I attended the Youth Education Seminar, that same day, and are looking forward to encouraging the students to enter their posters and literary works for the annual Remembrance Competition. Home schooled students are eligible as well. Please help us get the word out.

INTRODUCING VETERAN SHARI IRELAND

Submitted by Comrade Rosalie J. Pratt

A strong desire to be of service to our country motivated Comrade Shari to the military and the bonus factors were opportunities to develop new skills, personal growth plus steady and stable employment.

When asked about her basic training, Comrade Shari stated she enjoyed her fourteen weeks at St. Jean-sur-Richelieu, Quebec. As a mature recruit, she found the physical aspects demanding but life experiences made the mental adjustment from civil to military life easier whereas it was the reverse for the younger recruits.

From Quebec she was posted to Canadian Forces Base, Borden and for a brief period of time, served as a fire fighter. Prior to her military life, she was a volunteer fire fighter. The demands of this position were arduous, and she decided on an Occupational Transfer (change of trades) and participated in a seven-month in-depth QL3 Training Course to qualify as an Ammunition Technician, which is her current job. Her responsibilities include, but are not limited to, shipping and receiving ammunition from the various manufacturers for distribution to the Forces at the various Canadian Bases, which in turn ship these products to their final destination.

As an Explosive Ordnance Disposal Specialist, Comrade Shari is on call, on an as-needed-basis, when civil authorities need proper disposal, and/or detonation of explosive devices. Surprisingly, this is not an occasional occurrence! Her Performance Evaluation Reports reflected leadership qualities which allowed her to pursue a more in-depth five-month QL5 Training Course focused on ammunition upkeep, disposal and storage.

Master Corporal Shari has been posted to Canadian Forces Base in Borden her entire military career and travels from Coldwater to Borden, Monday to Friday and works normal workday hours at her job including physical training three times a week.

In 2012, Comrade Shari, along with twelve persons was chosen to attend an adventure training program designed to build camaraderie. They boarded HMCS Oriole in Victoria, B.C. and spent ten days on a "working cruise" culminating in their participation in the Swiftsure Yacht Race. The ship was similar to the Blue Nose and the experiences thereon are indelibly etched in Comrade Shari's memory.

In 2018 she had the opportunity and privilege of meeting our Minister of National Defense, the Right Honourable Harjit Singh Sajjan and she is especially proud that he came forward to shake her hand and thank her for her service to our country.

Comrade Shari has no regrets, or complaints about military life. She did have a smile when asked about 'meals'. She said, "The Individual Meal Packs (IMP) are designed with

Then Corporal Ireland was honoured to be part of the opening ceremonies on Military Appreciation Night during the Blue Jays American East League championship series in 2016.

needed nutrition in mind to survive but definitely not designed to be pretty meals. Some of the menu packs were nicknamed to reflect anything but the food presented."

Comrade Shari feels fortunate and lucky that, thus far, her military career (Army) has allowed her to be posted to Canadian Forces Ammunition Depot Angus. She is cognizant that, on a dime, she could transfer to another base and this could create some hardships with family obligations. Nonetheless, she is committed to pursuing some personal interests; namely, the Baking and Pastry Art Course at our local college.

As a two-plus year member of our Branch, she is pleased and appreciates the recognition given to the Veterans. She is very proud that our Branch involves itself with the various parades and that our full Colour Party is supported by our membership attendance.

Interviews can be a daunting experience. Comrade Shari was comfortable and stated that the questions were non-personal and the interview was offered in a private Branch setting and completed in just under one hour.

Comrade Shari, we thank you for your service.
