THE 100TH PAIRING: CHANGING THE LIFE OF A VETERAN WITH A SERVICE DOG

The Legion and Wounded Warriors Canada celebrate a unique milestone

From the files of Dominion Command

OTTAWA, February 26, 2026 – The Royal Canadian Legion’s Ontario Command joined Wounded Warriors Canada (WWC) at a special event in Ottawa this week to celebrate the 100th pairing of a service dog and Veteran, made possible thanks to the Command’s strong financial commitment. The Veteran, named John, is already seeing the life-changing effects of his relationship with his new dog named Pauly.

“I don’t know if I can put into words what Pauly has brought into my life,” he said, describing how he was at a point of being afraid to leave his house with what he was going through internally, and how it was affecting his family life. His powerful words reflected how everything changed with Pauly.

“She gets me out the door, not just out of the front door of my house but she has opened a door to a new beginning. Getting our life back,” he shared.

“We are extremely proud of what Ontario Command has accomplished through its association with Wounded Warriors Canada,” says Berkley Lawrence, Dominion President. *“The achievement of pairing one hundred highly trained service animals with Veterans in need of specialized care and assistance, is a feat beyond description.”*

“We are humbled to have had a role in helping these heroes find their footing, and these dogs find their purpose,” says Lynn McClellan, Ontario Command President. *“One soul can endure the weight of service but two working together, eases the pain.”* (Continues on page 10)

FROM THE BRANCH PRESIDENT

Comrades,
Starting 2026 and the 100th Anniversary of the Royal Canadian Legion we had a good turnout at our open house on January 25. It was good to initiate some new members to our branch. Thanks to everyone who came out and all involved in the organization. More events are

coming up.

On February 1 we hosted our Youth Public Speaking contest for local students. Congratulations to all the students who competed and to everyone who came out to cheer them on. We are hoping that next year we will have even more students taking part.

As discussed at the last General Meeting, we have been working on getting updated quotes to submit for our 2026 Ontario Trillium Foundation grant application. With the updated financial information completed, we should be in good shape for our application due in early March.

With the introduction of free memberships to new members in 2026, we have seen many new members joining our branch. We are hoping that these new members will become more involved in helping us keep the branch running. Just ask us how you can help and thank you for joining Branch 270.

Yours in Comradeship,
Kari Malmström, Branch 270 President

THE MAPLE LEAF

The Maple Leaf is the award-winning monthly newsletter of The Royal Canadian Legion Branch 270 Coldwater. It is primarily an internal communication tool through which the Branch Executive and Committee Chairs report to the membership on their respective activities. Opinions expressed in feature articles are those of the writers and do not imply endorsement by the Branch or the Legion. Committee reports and pre-arranged articles must be received no later than the 23rd of the month in order to be published in the next issue. Please submit by email to: Branch PRO at branch270@rogers.com.

FROM THE LADIES' AUXILIARY PRESIDENT

Greetings Comrades.

Will winter ever end? We need sunshine, warmth and a lot less snow. My thanks to all who helped out at catering events this past month. Your dedication and commitment is wonderful! We have an amazing team of Ladies' Auxiliary members who work so well together. We have received

many compliments on our venue, service and food!

Our Zone E4 Spring Convention is on Sunday April 26 at the Victoria Harbour Legion. All members are invited to attend. At this convention, all Auxiliaries in Zone E4 present financial statements and activity reports. Zone E4 elections will also take place for Zone Commander, Deputy Zone Commander and Sports Officer. If you are interested in attending please let me know.

District Team Darts will be on Saturday April 11 in Creemore.

The cupboards in the kitchen have been painted and they look great and brighten up the kitchen. The walls in the kitchen are also being painted. Our thanks to Larry, the Branch custodian for doing this.

Due to the fact that St. Patrick's Day falls on March 17, our March meeting will take place on Tuesday March 24 at 4:00 p.m. I look forward to having more members attend our meetings. Your suggestions and comments are welcome. This is your Auxiliary! If you would like to attend but need transportation, this can be arranged. Members are free to express new ways for raising monies or ideas which could make our Auxiliary run more effectively.

There is no better exercise for your heart than reaching down and helping to lift someone up.

Yours in Comradeship,
Donna Packer, Branch 270 Ladies' Auxiliary President

A MESSAGE FROM MPP JILL DUNLOP

It is my honour to reach out to you with the latest updates that matter most to our senior residents, and to share some of the meaningful work our government continues to undertake to support seniors across Ontario.

One major provincial initiative that I'm proud to highlight is the permanent funding of the Community Paramedicine for Long-Term Care program, backed by an \$89 million investment. This program, now fully adopted province-wide, brings essential non-emergency medical support directly into the homes of seniors, helping them live independently longer with access to diagnostics, routine care, and monitoring without unnecessary trips to hospital. It represents a compassionate and practical approach to

support aging in place and ease pressure on our health care system.

Across Ontario, our government is also expanding access to Seniors Active Living Centres and community grants, helping older adults stay connected, engaged, and active. These local centres and programs encourage social participation, physical activity, and lifelong learning opportunities close to home. Continued provincial support for these initiatives helps combat isolation and promotes wellbeing among our elder population.

These investments are part of a broader commitment to ensure that seniors who have contributed so much to our communities can continue to enjoy fulfilling, healthy, and connected lives as they age. I remain dedicated to advancing supports and services that enhance quality of life for seniors in Simcoe North.

As we look forward to the season ahead, I also want to extend my warmest wishes to everyone in our community. I encourage you to take part in local events, connect with friends and family, and celebrate the strong bonds that make Simcoe North such a special place to live.

Thank you to the Coldwater Legion for your continued service to our community, and thank you to all residents who support our seniors every day. May the months ahead bring good health, joy, and meaningful connection to you and your loved ones.

Our next monthly Veterans Coffee Break will be on Monday March 30, from 10 a.m. to 2 p.m. Those Coffee Breaks are held every last Monday of each month. For Veterans only. The compilation of 2025 issues of The Maple Leaf is done. Nine years (2017-2025) of hard copy compilations of the newsletter are now archived. Next phase is to cover the 2010-2016 period.

I've sent five more submissions to the MSRB. That brings a total of 21 submissions so far from our branch for the upcoming Vol.13. Those last five are for RCAF veterans from out of town. A sample submission can be seen on this page featuring Bette Legault's dad, Reginald Ginger, who served in the Second World War and in Korea. New submissions or suggestions for submissions to the MSRB are welcome year round.

Reginald Ginger served with the Royal Canadian Army Medical Corps in the Second World War and in Korea.

Attention Veterans

The Coldwater Branch offers 'Veterans Coffee Breaks' on the last Monday of each month, from 10:00 a.m. to 2:00 p.m. The next one is on Monday March 30.

Come and enjoy a nice coffee break and light lunch in company of other local Veterans. For Veterans only.

GINGER, REGINALD ARTHUR

Reginald Arthur Ginger was born in Crowborough, England, on January 8, 1912, son of Albert and Ruth (Manser) Ginger. He enlisted in the Canadian Army with the Royal Canadian Army Medical Corps on July 1, 1940. Private Ginger, service number SB 93864, served through the Second World War and earned the Canadian Volunteer Service Medal and clasp, the British War Medal 1939-1945, and the Defence Medal. An avid wrestler in his pre-war years – indeed an Olympic contender, he continued to wrestle in Army competitions where he was known as "Red Ginger". He married Isabella Falloon, a member of the Canadian Women's Army Corps, in June 1945. He stayed in the Army after the war and qualified as a parachutist in 1951. Reg served in Korea and earned the United Nations Service for Korea Medal. He also served in West Germany and in Galveston, Texas. Staff Sergeant Ginger left the Canadian Army on June 21, 1962, after completing 21 years' service. After his return to civilian life he lived in Acton, Ont., and was a factory worker as well as first aid provider at the factory. He passed away on May 1, 1981, and is resting in the Acton Cemetery.

THE 100TH PAIRING: CHANGING THE LIFE OF A VETERAN WITH A SERVICE DOG

The Legion and Wounded Warriors Canada celebrate a unique milestone

From the files of Dominion Command

(Continues from front page)

The Legion's Ontario Command, through its "Operation Service Dog" initiative, became the first large entity to support WWC's training and pairing program in 2018. It has provided \$2.7 million to the program since then. The initiative is supported by donations from branches and Ladies' Auxiliaries in Ontario, and many lives have been dramatically changed as a result. The sometimes-emotional event included supportive remarks from government leaders representing differing parties, and additional heartfelt words from Ontario Command.

"These are funds that have supported the training and pairing of service dogs for dozens of Veterans within Ontario Command," said Ron Goebel, Ontario Command Chair. *"Service dogs that assist our Veterans to increase their independence, improve their mental health, assist them with their daily activities, and improve their quality of life."*

WWC provides service dogs to Veterans living with an operational stress injury (OSI) – specifically Post Traumatic Stress Disorder (PTSD). The organization shared that with the collapse of the federal government's expected national training standards for such dogs – a critical tool also supported by the Legion's Dominion Command – it eventually developed its own and continues to ensure their quality to this day. Now having paired close to five hundred service dogs and Veterans within its wider program, the WWC credits Ontario Command's branches and Ladies Auxiliaries for having been "transformational" along the way.

"I remember the day when we began conversations with The Royal Canadian Legion Ontario Command," recalled

Royal Canadian Legion Branch 270

Capt. (Ret'd) Philip C. Ralph, CD, Director of Clinical Services with Wounded Warriors Canada. *"It was Ontario Command that was first, and saw the possibilities...Look where it has taken us today."*

In addition to the significant financial commitment required, it takes a tremendous amount of time to successfully match a dog and a Veteran. According to one of several training groups involved in the process, Fire Team K9 Service Dogs, it takes an average of two years to train a dog, and to familiarize a Veteran with their new friend and caregiver.

The symbolism of this milestone did not go unnoticed and was mentioned at the event – it was fitting that the celebration of this 100th pairing happened to take place during the Legion's 100th anniversary year. A truly remarkable achievement, which the Legion's founders could never have imagined.
