NEW MINISTER OF VETERANS AFFAIRS APPOINTED

An early January cabinet shuffle saw a new Minister appointed to the Veterans Affairs portfolio during a critical time in the evolution of Veteran care. With less than three months away from the Government's implementation of Pension for Life, a new suite of disability benefits for Veterans and their families, there are still many questions and concerns from the Veteran community as to how it will address the disparities in current benefits. This is no time for disruption or learning curves.

Royal Canadian Legion Dominion President, Tom Irvine, welcomes Jody Wilson-Raybould as the new Minister of Veterans Affairs, and takes this opportunity to reinforce the Legion's position: It is crucial that the Federal Government and Veterans Affairs Canada uphold their promise to address the gaps in financial support and care for Canada's ill and injured Veterans and their families. We hold the Government to their commitment with expectation for the implementation and effective and detailed communication of Pension for Life benefits by the April deadline.

The Legion remains steadfast in ensuring the care and benefits of Canada's Veterans are the best they can possibly be and that all governments honour their obligations to the men and women who serve in the Canadian Armed Forces.

Once again this year, Julie Patterson (right) of Julie's Boutique in Coldwater, made a significant donation of warm articles of clothing – mitts, scarves, tuques – to our Tree of Warmth. Articles will be handed to the Coldwater Public School to help with kids who misplace or lose these items. Branch member Maggie Murphy accepts the donation made on January 9.

FROM THE PRESIDENT

Before I tell you the latest news from the Branch, may I first say 'thank you' to the dedicated members who attended the January General Meeting. A miserable Wednesday night when even the fun darts players stayed home, some stalwart members made their way to the Branch to help get business on the road for the new year. So, to those diligent members 'thank you, thank you, thank you'!

A very smooth meeting achieved a lot of business for the Branch. Motions made for a new ice maker, filter system, repairs to the walls behind the bar and the water damaged area in the office, and adjustments in the canteen were all carried. Motions made to allow various executive members to attend Conventions and Seminars were carried, along with donations to Canadian Veterans' Winter Sports Clinic and 724 "Midland Lions" Royal Canadian Air Cadet Squadron through Poppy Funds.

A report on Raise the Roof was presented and a request for members to submit applications nominating a member as **Branch Legionnaire of the Year**. **Please complete one of the applications** by the end of the month giving us your recommendation/s for this award and obtain an envelope from the bar and place the completed application in the envelope in the mailbox by the office door. Although January 31 is the date we are requesting the form, **we will allow until February 5** due to the short notice you are being given.

We made an announcement that the Canteen would be changing hands effective February 1, 2019, however, since the meeting the proposer has withdrawn her offer. This means the Canteen is available again to proposers who wish to provide an offer for consideration.

The membership was reminded we have the Branch Public Speaking being held on Sunday, February 24 with registration at noon and speakers beginning at 1 p.m. For this we need several volunteers. Also, on Sunday, April 28 we will be hosting the Area Public Speaking. Again we require the support of volunteers to staff this event.

We have issued a **NOTICE OF MOTION** asking to change the date for our General Election this year to be held on **Wednesday, May 22, 2019 at 6.30 p.m.** rather than on the first Sunday of May. Our Branch Regulations require us to hold elections on the first Sunday of May, however, as the Provincial Convention is that weekend there would be no Senior Executive Officers available to officiate at our Branch

elections. At the February General Meeting you will be asked to vote on this motion.

A lot is happening at our Branch. We have had some terrific entertainment, our Jammin' is gaining a wide and positive reputation throughout the area with the independent musicians, our membership is up to 300+ and the bank account is growing.

We passed an expensive round of motions at this recent meeting but please be assured although approved this does not mean we will be spending recklessly. Adequate thought will be given to each repair or purchase before it is actually implemented, however, with the authority given to us at the meeting, we can begin to look for the right opportunity for the right price.

All of this was achieved at the General Meeting, which adjourned at 7:55 p.m.; A very successful evening. Thanks again all who attended.

Yours in Comradeship,
Betty-Jean Murray, President

MEMBERSHIP/BURSARY REPORT

Submitted by Comrade Wayne Tutt, Membership/Bursary Chairperson

Does everyone remember last July, when we all complained about the heat?? Oh, how soon we forget! As of January 30, 2019, we have 301 members. The breakdown is as follows: Life 4, Ordinary 50, Associate 159, and Affiliate 88. There are still 73 members who have not paid for their 2019 membership yet. I expect our numbers to drop in February, as I will remove the names of members who have not renewed. Thank you to the members who contacted me with either a new phone number, or change of address. This makes my job easier. Please make our new members welcome. They are, Sonia Kamel, Zoe Watson, Henny Risebrough, Gail Bishop, and John Anderson. See you at the branch!

GENERAL MEETING

The next General Meeting will be on **Wednesday, February 27**, beginning at **6:30 p.m.** Branch General Meetings take place on the fourth Wednesday of each month, from September to June, in the upstairs hall at **6:30 p.m.**

THE MAPLE LEAF

The Maple Leaf is the award-winning newsletter of Royal Canadian Legion Branch 270 Coldwater, published each month in the first week of the month. It is primarily an internal communication tool through which the Branch Executive and Committee Chairpersons disseminate information and report to the membership on their respective activities. Opinions expressed in feature articles are those of the writers and do not imply endorsement by the Branch or the Legion.

Committee reports and pre-arranged articles must be received no later than the 21st of each month in order to be published in the following month's issue. Please submit by email addressed to: Branch PRO – Maple Leaf at branch270@rogers.com.

BAR MANAGER REPORT

Submitted by Comrade Maggie Murphy, Bar Manager

We are going forward with the purchase of a new ice machine for the Club Room bar. Hopefully we can fix the old one and use it upstairs for the Banquet Hall. The Branch has been asked to provide a bar at the Community Centre for a music fundraiser in June. We will need many volunteers with Smart Serve and anyone else who would volunteer for other off-bar tasks.

WAYS & MEANS / ENTERTAINMENT REPORT

Submitted by Comrade Carol Baird, Entertainment/Ways & Means Chairperson

Hi everybody, hope you are not frozen in as we have a lot going on in February. On the 2nd of February we have our Triathlon. Registration is at 11:30. \$5.00 to enter. Darts, Pool and Shuffleboard. Lots of prizes and great fun. Then on the 3rd we have a Super Bowl Party/Potluck. Come and watch the game on our big TV. And bring your own food or snacks: it's a potluck! Doors open at 4 p.m. On the 9th we have our meat roll at 3 p.m. On the 10th we have our Loonie Auction starting at 1 p.m. We are looking for donations of good used things, or a gift card of some kind. Anything is appreciated as long as it is in good condition. Sorry, no clothes. We have entertainment that day by Len Murphy

starting at 2 p.m. I hope to see you all there. On the 16th we have our Jammin' session starting at 2 p.m. The jam is getting busier every month. This month we had the President and Ways and Means executive from Lefroy Legion come in. He got up to play and sing. I ran into his wife in Elmvale and invited them over. They really enjoyed themselves and said they would be back. Our band this month is a new one called Moose Crossing on the 23rd from 2-6. We have some exciting things planned this year for the branch. I will keep you posted as the months go by.

PUBLIC RELATIONS REPORT

Submitted by Comrade Norm Marion, Public Relations Officer

NEW YEAR LEVEE: This year's President's New Year Levee was quite a success and a great public relations activity. Photos are posted on our Facebook and web site pages.

CHANGES TO ADVERTISEMENT RATES – MAPLE LEAF: As mentioned in the previous PRO report, changes to advertisement rates in the Maple Leaf were proposed for 2019. Rate increases were approved at the last Executive Meeting from: \$36 to \$40 for 12 single business-card size approx. 3½" X 2"; \$66 to \$76.00 for 12 double business-card size approx. 3½" X 4" (save 5%); and \$132 to \$144.00 for 12 quadruple business-card size approx. 7" X 4" (save 10%).

Thank you Gill and Carol Baird for doing such a wonderful job at operating the canteen for the past three months. Despite an earlier announcement that the Canteen would be changing hands effective February 1, 2019, the Canteen is available again to proposers who wish to submit a proposal.

POPPY REPORT

Submitted by Comrade Betty-Jean Murray, President

At the January General Meeting motions were passed to allow donations of \$500 each from the Poppy Fund to Canadian Veterans' Winter Sports Clinic and to 724 "Midland Lions" Royal Canadian Air Cadet Squadron.

TREASURER REPORT

Submitted by Comrade Annie McArthur, Treasurer

As of January 22, 2019, the General Account has \$19,278.54, the Building Account \$9,588.57 and the Nevada Account \$438.66.

BRANCH HISTORIAN REPORT

Submitted by Comrade Norm Marion, Branch Historian

ARMISTICE 100th PLAQUE FUNDS: No proposed options yet for the use of leftover money donated towards the plaque project. Hopefully by next meeting.

ITEMS FOR DISPLAY CABINETS: More items were donated for our collection including a sailor cap from HMCS MAGNIFICENT that belonged to the late John Gourlie, donated by Isobel Gourlie, and "Veterans" display plates.

John Gourlie in his sailor uniform while serving on board HMCS MAGNIFICENT, a post-war aircraft carrier with the Royal Canadian Navy. The cap that he's wearing was donated to the branch by Isobel Gourlie.

YOUTH EDUCATION REPORT

Submitted by Comrade Betty-Jean Murray, Youth Ed Co-Chair

As was announced in my previous report, the Legion's Public Speaking Competition will take place on **Sunday, February 24 at 1 p.m.** in the Banquet Hall of the Coldwater Legion. Parents, please encourage your children to take part in this competition as it is a good opportunity for them to build their confidence in their voice and opinion. And on **Sunday, April 28 we will be hosting the Area Public Speaking** – this includes children from Districts C, D and E – registration at noon and speakers beginning at 1 p.m. Again we require the support of volunteers to staff these events.

If you haven't heard the school students put forth their thoughts and ideas in this type of forum come along and listen. We hear so often adults groaning about 'kids and their electronics' but these are kids who have formed opinions on a wide variety of topics of their choice and have researched on those same electronics to provide a very thoughtful speech. They are a treat to listen to. Please join us that day and pay tribute to these students.

SERVICE OFFICER REPORT

Submitted by Comrade Randy Rice, Service Officer

Effective January 1, 2019, the Ontario government has authorized free fishing licences for veterans and active members of the Canadian Armed Forces. The following items of identification are required to show to receive the free fishing license:

- A. CF ID card ND1 20,
- B. Record of Service Card ND1 75,
- C. The new Canadian Armed Forces VETERAN service card ND1 75.

If you do not have any of these, I suggest some proof of Service, such as Release paper.

I will be attending the Veterans Service Officers seminar in Aurora, 22-24 Feb. If anyone has any questions they want me to present on their behalf, I will gladly do so. Let me know.

Finally: BUCKSHEE, a term adapted by the Army in the First World War. 'BUCKSHEE' is derived from the word "baksheesh". In today's Army it refers to kit and equipment that is "off the record" i.e. tucked away in someone's room and not in the quarter master's store where it's probably meant to be. Kept in reserve in case the stores run out (though you have to wonder if the store would have run out if the kit was in it in the first place.)

SPORTS OFFICER REPORT

Submitted by Comrade Bob Gourlie, Sports Officer
Comrades,

We held the Zone Darts on Sat Jan 5. Coldwater has one single that is eligible for the District Darts in Feb. We have one team registered so far for the Senior Darts on Feb 9. Zone Euchre is Feb 2. No response from our branch as of yet. We had one team that played in the District Cribbage last Saturday in Everett. They said they had fun, but unfortunately they did not qualify to move to Provincial.

Our general membership has increased in the past year. We have a good interest in our Branch sports. We have Poker Pool, Cribbage, Euchre, Shuffleboard and 2 Dart Leagues. We have had a number of teams participate in the Zone Sports. We have a Triathlon on Feb 2 to raise funds for the new roof. We hope to attract some of our new members to our sports events. Let's have a good year and help support our Branch. Any question about branch sports activities, you may contact me at robertgourlie@gmail.com or 705-715-2368.

CALL FOR PROPOSALS:

BRANCH CANTEEN OPERATOR

The Executive of the Royal Canadian Legion Branch 270 Coldwater is accepting proposals for the opportunity to rent the Branch Clubroom Canteen.

Applicants should be prepared to operate the Canteen to accommodate the Clubroom hours and to provide a menu suitable for workers and families. Branch 270 Canteen is open for lunch Tuesday to Saturday, dinner on Fridays and sometimes Sunday. If appropriate during winter, Sunday Brunch may be considered. The successful operator will be required to provide proof of the appropriate insurance.

Written proposals may be delivered by Canada Post to RCL Branch 270, 2 Michael Anne Drive, PO Box 89, Coldwater, Ontario, L0K 1E0 or emailed entitled PROPOSAL to branch270@rogers.com.

NOTE: While the care of the canteen is up in the air, some dedicated members have opted to work at keeping it open for customers who stroll in for lunch or Friday dinner. We plan to provide soup and a sandwich or something similar each day. We won't be listing a full menu, but something to stop your tummy from grumbling. We do have someone who can make a pretty good grilled cheese. Drop in to try us out. We'll be there at the usual hours.

LADIES AUXILIARY

Submitted by Comrade Anne McArthur, President of the Ladies Auxiliary Branch 270

Here we are into February already. Thank you to everyone for attending the General Meetings held the third Tuesday of the month at 6:30 pm. Your input and voting keep the wheels running smoothly in the organization.

We have continued to cater to a number of events and Celebrations of Life in January. A great big thank you goes out to all who assist with these events. Comrade Jane Lauder continues to do a great job at organizing these. The Branch and Ladies Auxiliary are investigating prices for dishwashers as the one in upstairs kitchen has stopped working.

There are a number events that are being held for "Raise the Roof", come out and support and volunteer for these if you can.

Our condolences go out to Comrade Marie Langley in the loss of her mother and to Comrade Jane Lauder in the loss of her sister.

Just a reminder that the Ladies Auxiliary Zone E4 Convention is Sunday May 26, 2019 in Aurora. Any of the members of the Ladies Auxiliary can attend this and if you are interested please let us know.

And please remember "Pancake Tuesday" on March 5th from 4:30 to 7:00 p.m. The price is \$7.00 for pancakes, sausages and tea or coffee.

INTRODUCING VETERAN WANDA BEAUDOIN

Submitted by Comrade Rosalie J. Pratt

Wanting to experience new opportunities and adventures, now retired Sergeant Wanda G. Beaudoin joined the Canadian Armed Forces in August 1974 with her parents' permission and blessings.

Comrade Wanda has enjoyed many 'firsts' in her military career; her first train trip from Barrie to Belleville; her first airplane trip from Trenton to Greenwood, Nova Scotia. She recalls these adventures as nerve-wracking yet exciting and commented that she felt that she accomplished more in her eleven weeks of basic training at Cornwallis, Nova Scotia than in her previous eleven years of schooling. From Cornwallis she transferred to Canadian Forces Base Borden for her trade's training followed by a posting to Ottawa; then Cold Lake, Alberta, back to Ottawa and again to Borden from where she retired forty-one years later.

During recruitment in Toronto, all applicants complete an aptitude test and Comrade Wanda showed a propensity towards the 'technical trades'. She was offered the Photographic Technician's training and reports that in those days, there were still very few women employed in that trade or throughout most of the Canadian Forces. While posted to Cold Lake, she travelled with 410 Squadron to Tyndall Air Force Base in Florida to cover the Canadian participation in Combat Archer (*air-to-air combat focused on missile firing*) where she captured the first photographs of CF-18s firing AIM 7 Sparrow missiles over the Gulf of Mexico. Sitting in the back seat of the noisy CF-18 airplane, she felt exhilarated and remembered she was just a kid from Coldwater, experiencing this incredible event!

Homesick at first, Comrade Wanda focused her energies on learning the full scope of her trade as a photographic technician responsible for taking photographs, the processing and printing of film, maintenance of all photographic equipment plus the mixing and quality control of the necessary chemicals. Another first for Comrade Wanda was her work behind the scenes; she worked for the Intelligence Branch and along with her crew, created the briefing material for the then Minister of the National Defense during the Persian Gulf conflict.

Sergeant Beaudoin captured the first photographs of Canadian CF-18s firing Sparrow missiles over the Gulf of Mexico, shot from the back seat of another CF-18.

Corporal Wanda Beaudoin early on in her career as a Photographic Technician in the CAF.

While in Cold Lake, Comrade Wanda worked closely with the CF-18 fighter squadrons and together with her crew, photographed and documented five fatal crashes. In addition, she worked with the Military Police on issues such as accidents, disputes, etc., which occurred on Crown Land – *Crown Land is held by government as public land.*

In the early years, Comrade Wanda wrote numerous letters to the family as telephone calls were expensive. She reports that they were well provided with equipment to perform their job and it was a gastronomical pleasure at meal time. There was no want for anything. But it wasn't all work and no play...Comrade Wanda managed to transfer her sewing machine to her barrack block room and pursued her passion of sewing.

After twenty-seven years in the Regular Force and not wishing to accept future postings away from home, Comrade Wanda transferred to the Reserve Force where she continued with her military career for the next fourteen years at Camp Borden. She is recipient of The Canadian Decoration with two Clasps; the Decoration is awarded after twelve years of service; a Clasp is awarded after each succeeding ten years of service.

Asked for additional comments to support this interview, Comrade Wanda remarked that military personnel are a strong proponent for peace and that the mandate of the Legion is remembrance...to remember and honour those men and women who have served and continue to serve. She is very proud of our Branch as we are an integral part of the Coldwater community.

In closing the interview she said, "*Leadership is influencing by example*".
